Blood has no boundaries and the distinction of class, community and creed gets wiped out when good people get together and donate freely.

To facilitate this cause the blood donation camp was organized by "The Responsible Invertian club" on Thursday, 5 June 2020, at **Invertis University** in collaboration with **Clara Swain Mission Hospital**, Bareilly under the strong supervision of Dr. Umesh Gautam, Mayor, Bareilly.

Camp was organized in the memory of our former Prime Minister **Late Shri Atal Vihari Bajpayee ji**.

It began at around 10 am and continued up to 3 pm, with a steady stream of donors throughout. The corridor of the seminar hall 1 and 2 of the university was abuzz with young Invertians, happy to be able to play their part in lending a helping hand to people in the region. 40 Students of pharmacy were assisting blood donation camp as volunteer along with their faculty members and they were learning practical aspects of pharmacy.

One of the seminar halls was utilized for a thorough medical check-up of potential donors, while another hall was utilize, where donors could lie down and recuperate for a while before they leave venue.

They were provided with glucose water, food including biscuits, a fruity and a cup of coffee. It was great to see more people than pre-registration numbers turning up in the venue. This stretched the capacity of the blood bank, as a result of which the contact details of the donors were taken so as to allow them to donate at the earliest to the blood bank. The blood bank asked for 100 units with higher number of rear blood groups. Seeing the enthusiasm, they collected thirty percent more, that is 130 units.
