Description:

Club Images of Invertis University organized Cleanliness program for Health and Hygiene in 21UP BN NCC with a strength of 55 cadets on 15th March, 2019 and the title was "Swachhta hi sewa". This cleanliness program aimed at promoting health and hygiene through community engagement. The program included a community cleanup drive, where NCC cadets, volunteers, and local residents collectively cleaned public spaces such as parks, streets, and markets. NCC cadets interacted with community members, answered questions, and demonstrated practical tips for cleanliness and hygiene.
