Description:

The Responsible Invertian Club of Invertis University organized the program Wall of Humanity at Nagar Nigam Bareilly on 02/01/2020. The Wall of Humanity is often a symbol of solidarity, compassion, and support for those in need. It typically involves a physical wall or a digital platform where people contribute by donating goods, messages of hope, or acts of kindness to support the less fortunate. It's a manifestation of community support, empathy, and assistance.
