Dear Anjali Gangawar,

On behalf of the Admission Selection Committee, I am pleased to inform you that due to your MBA scholarship test & academic performance, you have been offered an admission in the class of MBA 2023 at Invertis University!

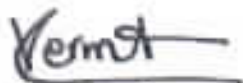

Admission is very selective due to its high admissions standards, the significant number of talented students who apply, and limited class size. You have been chosen as a result of your notable accomplishments, both academic and non-academic, and we sincerely hope you will accept our offer of admission.

Attached to this letter you will find a full admissions package including brochures to give you more information about the University and its programs. To accept your offer of admission, please complete the response form and return it to the Admissions Office by March 15, 2023.

If you have any questions or concerns, please do not hesitate to contact our Admissions Office by email at admissions@invertis.org

Once again, congratulations for the achievement and we welcome you to Class of MBA! We hope to hear from you soon!

Sincerely,

Shwetang Verma
