Description:

Invertis University, on August 29th, 2022, hosted an electrifying "Athletic Meet" at the Sports Ground, a testament to the institution's dedication to promoting sportsmanship, physical fitness, and healthy competition among its students. The event was orchestrated by The Sports Club - Stride and represented a significant milestone in the academic year 2022-2023.

A wide array of athletic games for both men and women were featured at the Athletic Meet. Participants exhibited their agility, speed, and strength in exciting races, including the 100m, 200m, 400m, 800m, and 1500m. The relay events, such as the 4x100m and 4x400m relays, emphasized teamwork and camaraderie, promoting a sense of unity among the athletes. Field events like discus throw, javelin throw, shot put, and long jump showcased the athletes' skill and prowess.

Mohd Shakeel, the event's coordinator, played a pivotal role in meticulous planning and seamless execution. The organizing committee's diligent efforts ensured a well-coordinated event, encompassing smooth registration, precise race scheduling, and appropriate infrastructure setup, contributing significantly to its success.

The presence of Dr. Umesh Gautam, the esteemed Mayor of Bareilly City, as the chief guest, added prestige and motivation to the event. His involvement inspired participants to give their best performances, encouraging a heightened level of determination and dedication.

Invertis University's Athletic Meet exemplified the institution's dedication to holistic development by nurturing physical fitness, sportsmanship, and a spirit of healthy competition among its students. The event provided a platform for students to showcase their athletic talents and instilled essential values of teamwork and perseverance, fostering an environment conducive to overall growth and excellence.
