7.1.1 Measures initiated by the Institution for the promotion of gender equity during the 2021-22.

Response:

a. Safety and Security

University ensures the safety and security of all the students, teaching and non-teaching staff members and other employees by adopting significant measures. The whole campus is under CCTV surveillance with cameras installed at all prominent locations. With the help of the cameras, it is easy to identify if any issue persists within the campus. Moreover, security checkpoints are provided all-round the campus at the entries and exits of all academic blocks, libraries, hostels, mess and cafeterias.

Separate hostels are provided to girls with proper security measures, and hostel committees are established to look after the students. The Girl's Hostel is assigned a female warden who is well-trained, responsible and vigilant.

To ensure safety and security university has appointed members for the Proctorial Board who look after the discipline and ensures that everyone follows the rules and regulations of the university. Cases of indiscipline or indecent behaviour of any student, cases of individual/ group harassment, threatsetc. are dealt with strictly by the Proctorial Board.

The University's guard room at the main entrance of the campus has well-trained security guards who ensure that students with valid identity cards are allowed on the campus. They also keep a strict record of all the visitors entering the campus.

Academic buildings are equipped with digital notice boards that display all the instructions, rules and regulations of the university. Moreover, helpline numbers are also displayed on the notice boards so that anyone in need may contact the particular person in case of help. University has also appointed an Anti-ragging committee to ensure strict implementation of anti-ragging measures.

To maintain COVID protocol buildings are equipped with a face recognition system for the attendance of employees keeping in mind their safety. Regular vaccination drives were also organized by the university for the students and faculty members thereby ensuring their safety.

B. Counselling

University provides counselling at all levels not only for students but also for employees. Faculty members counsel students regarding academic performance, career plans and personal issues. Classes in charges are also appointed for every separate semester and course who individually counsel students apart from the subject faculty. Head of the Departments also holds a meeting for interacting with students separately to know about their progress or problems if any. Dean student welfare is appointed by the university to look after student-related problems and their solutions.

b. Common Rooms

The university maintains separate common rooms for boys and girls in the hostels to ensure privacy and prevent unwelcome situations. Both staff and students utilize these common areas to rest and socialise. These common rooms are furnished with modern equipment to encourage group learning among students.

Annual gender Sensitization action plan

In addition to creating a center for women's empowerment and gender equality, gender equality policies are one of the Invertis University priorities across the entire university and enable specific achievements with the action from all areas.

The pioneering nature of this commitment was recognized by the Responsible Invertian club with many events organized for women empowerment and gender equality. We look at the measures Responsible Invertian has been taking to bring a positive change in the mentality and practices supporting equity among genders within the university.

Responsible Invertian acknowledges shared values and principles, such as equality, inclusion, respect for human dignity, fairness and justice for all. We also acknowledge the support for a diversity of talent. We renew our commitment in teaching future generations and being a role model. We also commit to counteract any existing inequalities.

Responsible Invertian through its proactive faculty, staff and student programs, annually look into the following:

- Promoting communication with respect for human dignity and social responsibility.
- Allow the equal recognition of multidimensional representations of women and men.
- Promote communications that represents unbiased representations of gender equity.
- Conduct workshops that promote diversity and gender-sensitive communication for members and employees
- Appointing senior in every academic block so that faculty and students can reach out in matters of need related to gender-related communication.
- Monitoring and evaluation mechanisms for implementation and their follow-ups.
- Conducting regular awareness-raising activities among students and staff
- In classes, faculty members promote working together, fair representations for leadership roles, facilitate impartial participation, gender balance in team projects when possible, promote students meeting with faculty, having open and closed sessions with faculty members of the appropriate gender for related scenarios, complaints and counseling during class hours and at hostels.
- A network of gender equality advisers facilitated for Women Empowerment and Gender Equality.
- Balanced gender quota in various committees
- Our student code of conduct promotes gender parity at the governance level.

राष्ट्रीय कैडेट कोर (एनसीसी) एक महत्वपूर्ण संगठन है जो अनुशासन और देशभक्ति की भावना को बढ़ावा देने के अलावा, एनसीसी का उद्देश्य महत्वपूर्ण सामाजिक मुद्दों के बारे में जागरूकता को बढ़ावा देना भी है। इस उद्देश्य को आगे बढ़ाने के लिए, एनसीसी कैडेटों और बड़े पैमाने पर समुदाय के बीच जागरूकता बढ़ाने के इरादे से शहीदों की मूर्ति की साफ सफाई का आयोजन दिनांक २७-०९-२०२२ को किया गया था।

इसका प्राथमिक लक्ष्य एनसीसी कैडेटों को कला के माध्यम से रचनात्मकता को व्यक्त करने के लिए प्रोत्साहित करना था, जिससे सामाजिक रूप से प्रासंगिक मुद्दों के बारे में जागरूकता बढ़ाने के लिए एक शक्तिशाली मंच तैयार किया जा सके। इन्वर्टिस विश्वविद्यालय के कुलाधिपति डॉ० उमेश गौतम ने कहा कि एनसीसी कैडेटों के बीच साफ सफाई को लेकर रचनात्मकता को बढ़ावा देता है। कुलपति प्रो. वाईडीएस आर्य ने कहा कि गंभीर सामाजिक मुद्दों के बारे में जागरूकता पैदा करना एवं समुदाय को अधिक जानकारीपूर्ण और सक्रिय बनने के लिए प्रोत्साहित करना एनसीसी में जन जागरूकता के लिए साफ सफाई एक सफल पहल थी जिसमें जागरूकता और सामुदायिक जुड़ाव शामिल था। इसने सामाजिक परिवर्तन के लिए एक शक्तिशाली उपकरण के रूप में कलात्मक अभिव्यक्ति की क्षमता का प्रदर्शन किया। ऐसे कार्यक्रमों का आयोजन करके, एनसीसी युवाओं में सामाजिक जिम्मेदारी की भावना को बढ़ावा देता है और एक बेहतर समाज के निर्माण में सक्रिय रूप से योगदान देता है।

ऐसी घटनाओं के प्रभाव को और अधिक बढ़ाने के लिए, यह अनुशासन की जाती है कि जागरूकता और कलात्मक विकास की गति को बनाए रखने के लिए इसी तरह के आयोजन नियमित रूप से आयोजित किये जाने चाहिए। कैडेटों को अपने कलात्मक कौशल विकसित करने में मदद करने के लिए कार्यशालाएं और प्रशिक्षण आयोजित किए जाएंगे। कार्यक्रम में सीटीओ सारंधा शर्मा एवं अन्य लोग उपस्थित रहे।

Description: Cleanliness drive at martyr statue program.

The National Cadet Corps (NCC) is a vital organization that plays a crucial role in shaping the youth of our nation. Apart from fostering discipline and a sense of patriotism, the NCC also aims to promote awareness about important social issues. To further this objective, a Painting Competition was organized with the intent to raise mass awareness among NCC cadets and the community at large.

The primary goal of the Painting Competition was to encourage NCC cadets to express their thoughts and creativity through art, thereby creating a powerful platform for raising awareness about socially relevant issues. Specific objectives included:

- Promoting artistic expression and creativity among NCC cadets.
- Generating awareness about pressing social issues.

- Encouraging the community to become more informed and proactive regarding these issues.

The Painting Competition for Mass Awareness in NCC was a successful initiative that combined art, awareness, and community engagement. It demonstrated the potential of artistic expression as a powerful tool for social change. By organizing such events, the NCC continues to foster a sense of social responsibility among the youth and actively contributes to building a better society.

To further enhance the impact of such events, it is recommended that:

- Similar competitions be held regularly to sustain the momentum of awareness and artistic development.
- Collaborations with local schools and colleges be explored to increase participation and community involvement.
- Workshops and art-related training be organized to help cadets develop their artistic skills.
- The winners' artworks be exhibited at public spaces to maximize outreach.

Description: Blood Donation Camp (2), as per instructions of State Government.

Team Responsible Invertian held a Blood Donation Camp at Clara Swain Mission Hospital as per the instructions of State Government on April 25th, 2023.

Once a blood donor, is always a lifesaver.

Words alone cannot express the magnitude of gratitude owed to the donors who stepped forward to offer their life-saving gift. By donating blood, these remarkable individuals demonstrated their unwavering commitment to humanity, becoming true heroes in the process. Their generosity has undoubtedly left an indelible mark on the lives of those in need, instilling hope and renewing faith in the power of collective goodwill.

Moreover, this event also served as a platform to raise awareness about the importance of regular blood donation and its significant impact on the healthcare system. By highlighting the notion that "once a blood donor, always a lifesaver," we aimed to instill a sense of responsibility and encourage a long-term commitment to this crucial cause.

एक बार रक्तदाता हमेशा जीवनरक्षक होता है।

25 अप्रैल, 2023 को राज्य सरकार के निर्देशानुसार टीम रिस्पॉन्सिबल इनवर्टियन ने क्लारा स्वेन मिशन अस्पताल में रक्तदान शिविर का आयोजन किया।

इनवर्टिस यूनिवर्सिटी के छात्र छात्राओं ने रक्तदान करके मानवता के प्रति अपनी अटूट प्रतिबद्धता का प्रदर्शन किया और इस प्रक्रिया में सच्चे नायक बन गए। उनकी उदारता ने निस्संदेह जरूरतमंद लोगों के जीवन पर एक अमिट छाप छोड़ी है, आशा जगाई है और सामूहिक सद्भावना की शक्ति में विश्वास को नवीनीकृत किया है।

इसके अलावा, इस कार्यक्रम ने नियमित रक्तदान के महत्व और स्वास्थ्य देखभाल प्रणाली पर इसके महत्वपूर्ण प्रभाव के बारे में जागरूकता बढ़ाने के लिए एक मंच के रूप में भी काम किया। इस धारणा को उजागर करके कि "एक बार रक्तदाता, हमेशा एक जीवनरक्षक," हमारा उद्देश्य जिम्मेदारी की भावना पैदा करना और इस महत्वपूर्ण कारण के लिए दीर्घकालिक प्रतिबद्धता को प्रोत्साहित करना है। इस अवसर पर इनवर्टिस यूनिवर्सिटी के कुलाधिपति डॉ उमेश गौतम ने रक्तदान के महत्त्व को बताया। कुलपति प्रो. वाईडीएस आर्थ ने रक्तदान-महादान को विस्तृत रूप में समझाया।
