

Name of the Cell: The Responsible Invertian Club

Academic year: 2019-2020

Name of Event: Trash Clean-Up Drive

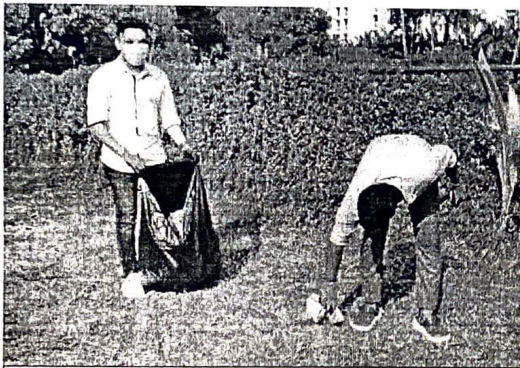

Date: 21 March 2019

Venue: Bareilly Region

Description:

The Responsible Invertian club have taken an initiative and organized a Clean-up campaign in the Bareilly region on the 21st of March on the occasion of World Forest Day. Along with cleaning the environment by picking up the trash on roads (especially plastic), students and faculty members actively participated in planting tree saplings. The primary objective of the cleanup drive was to foster a sense of responsibility towards the environment and promote sustainable living practices.

The response to drive was overwhelmingly positive. This participation underscored the collective commitment to environmental sustainability.
