Name of Event: Go Green March

Date: 16-December- 2020

Press Release

"Go Green"

The campaign saw active participation from diverse groups, including students, faculty and local community. This campaign demonstrated the positive impact of collective efforts in tree planting activities and the overwhelming response to educational sessions.

In a display of its commitment to wards protecting the environment, Invertis University, Bareilly on Invertis Lucknow road, Bareilly, conducted a Go Green March on December 16, 2020, which witnessed participation of more than 1,500 members including students, teachers and parents. The march was organised to highlight the many initiatives that the university has undertaken -use of solar powered, and LED lights, segregation of waste, and abandoning use of printed circulars-to reduce its carbon footprint.
