

**Name of the Cell:** The Responsible Invertian Club

**Academic year:** 2019-20

**Name of Event:** Drop by Drop: A Nukkad Natak on Water Conservation

**Date:** 08/06/2019

**Description:** The campus came alive with vibrant energy as students, faculty, and staff gathered to witness an impactful Nukkad Natak (street play) on water conservation.

The Nukkad Natak unfolded a compelling storyline, depicting the consequences of water wastage and the critical need for conservation. Through a series of relatable characters and situations, the performers highlighted the daily habits that contribute to water scarcity and the collective responsibility to address this issue.

The lively and interactive nature of the street play captivated the audience, leading to a positive and enthusiastic response. Spectators were not only entertained but also left with a heightened awareness of the importance of water conservation.
