Description:

We organized an event called "A Day in Invertis" where we invited students from the Khushhali NGO to our college to give them a glimpse of college life and emphasize the importance of education. The event commenced with a warm welcome from our Chancellor, Dr. Umesh Gautam Sir, who distributed t-shirts and gift hampers. Following this, there was an entertaining dance performance by our college students.

Afterwards, we took the children on a visiting campus tour, showcasing the university's facilities and atmosphere. We also treated them with snacks at our campus café and engaged them in various activities such as planting saplings and demonstrating virtual reality experiences.

Lunch was served in mess, and then we reconvened in the seminar hall. There, we imparted valuable moral lessons, played games, and wrapped up the event with a hand-printing activity to create lasting memories.

The event culminated with a speech by our Executive Director, Mr. Parth Gautam Sir, reinforcing the primary objective of bringing colgate smiles on the faces of those children. Our mission was to leave them with cherished memories and a newfound appreciation for the value of education.
