

Name of the Cell/Department: The Responsible Invertian Club

Academic year: 2018-19

Name of the program: Children's Day Donation Programme

Date: 13 November 2018

Venue: Near Phoenix Mall and Pilibhi bypass Road

Description:

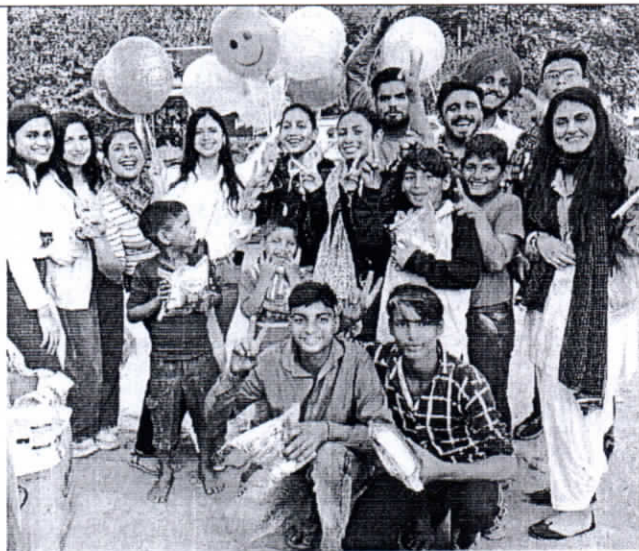

A Donation camp was organised on the occasion of Children's Day. The event was on **13th November 2022** (Sunday).

The main motive of the event was to bring a smile on the faces of needy children. In India, thousands of people die as they cannot afford one meal a day. Poor and helpless children eat food from the dustbins, due to which many of them fall sick.

The Responsible Invertian visited areas near Phoenix Mall, Bareilly where we distributed food items to helpless children.

One by one, we distributed precious gifts to those children, who are not blessed enough to experience such kindness very often. Their eyes lit up with joy and gratitude as they received their meals and a pair of clothes to wear. It was a truly magical moment, witnessing the transformation of sadness into hope, hunger into satisfaction, and despair into happiness.

The children's smiles became a symbol of hope, reminding us all of the power of compassion and the importance of standing together. This special day, Children's Day, will forever be remembered as the day when a small act of kindness ignited a wave of change, ensuring that no child in India goes to bed hungry again.
