AND

**Invertis University** was established in 2010 by an Act issued by the State Government and approved by the University Grants Commission (UGC) from what began as a modest institution in 1998 as the Invertis Institute of Management Studies. In Sept 2021, the college added one more quill to its cap when it was consulted with the esteemed National Assessment and Accreditation Council (NAAC) authorization. Invertis University, which is run by the non-profit Uttaranchal Welfare Society, has steadily grown into a well-known educational institution and one of the private universities with the fastest growth rates in the country.

Invertis University, Bareilly is one of the best private universities in India that focuses on holistic life skills, professional development, and high-quality education to produce exceptional students who consistently achieve outstanding academic results.

## INTRODUCTION

**UltraTech Cement Ltd.** is the largest manufacturer of grey cement, Ready Mix Concrete (RMC) and white cement in India. It is also one of the leading cement producers globally. Its operations span across India, UAE, Bahrain, Bangladesh and Sri Lanka. UltraTech is the largest manufacturer of concrete in India. UltraTech is the one-stop shop for every primary construction need. Its meteoric rise as India's largest cement brand reflects on the organisation's focus on cutting edge technology, research and technical services. UltraTech Cement provides a range of products that cater to the various aspects of construction, from foundation to finish.

UltraTech's parent company, the Aditya Birla Group, is in the league of Fortune 500 companies. It employs a diverse workforce comprising of 140,000 employees, belonging to 42 different nationalities across 36 countries. The Group has been ranked number 4 in the global 'Top Companies for Leaders' survey and ranked number 1 in Asia Pacific for 2011.

**Invertis University, Bareilly was established in 1998.** As one of the best private universities in U.P. Invertis University is dedicated to provide its students with

academic excellence and cultivating a genuine desire in them to contribute to society through all of their activities and accomplishments. Its primary goal is to instill in its students the right morals and values that will help them become thoughtful, active leaders in their chosen fields and contribute to the nation's development.

Through a stimulating environment that encourages academic curiosity, scientific temper, and experiential learning in students, the university strives to enhance learning experiences. It encourages faculty as well as students to use critical thinking methods to solve problems and work together to find Solutions.

### Objectives:

1. This MOU is being signed with the objectives of furthering industry-academic relationship for mutual benefit, building fruitful and mutual relations, and of proposing to offer programs of mutual interest as agreed between the parties.
2. Invertis University - Civil Dept. intends to organize **Technical seminars, workshops, conferences and training programmes** in association with the ULTRATECH to provide the civil engineering community with the latest developments in research and developments of construction industry.
3.
