

Report on Memorandum of Understanding (MoU) Signing Ceremony

Between: ShapeMySkills Pvt. Ltd. & Invertis University

Date: 19/07/2025

Venue: Invertis Innovation & Incubation Centre, Invertis University

Objective of the MoU:

The primary objective of this collaboration between **Invertis University** and **ShapeMySkills by DUCAT** is to **enhance the technical skill of students** by providing industry-relevant training and exposure. This strategic partnership aims to bridge the gap between academic learning and practical industry demands, ultimately increasing the employability and placement opportunities of the students.

Key Highlights of the Program:

1. Skill Development through Industry Experts:

- ShapeMySkills brings a team of **30+ experienced industry professionals** working in top-tier MNCs.
- These experts will visit the Invertis campus regularly to **mentor, train, and guide students** in their respective domains.

2. Technical Training Areas:

- The training modules will focus on **cutting-edge and in-demand technologies**, including but not limited to:
 - **Python, Java, Internet of Things (IoT), Machine Learning (ML)**
 - **.NET, PHP, Android, CCNA, AutoCAD, VHDL, MATLAB, Embedded Systems**
 - **HVAC, Data Science, Linux, Full-Stack Development (Java/Python)**
 - **Salesforce, Cloud Computing (AWS, Azure), Tableau, SAS, Informatica**
 - **Ethical Hacking and Cybersecurity**

3. Comprehensive Course Portfolio:

- Students will also receive **IBM/Microsoft certifications** on course completion, adding value to their academic profiles.

4. On-Campus Learning Environment:

- To promote effective engagement, several programs will be conducted **within the university premises**, creating a direct interface between students and industry leaders.

MoU Signing Ceremony:

- **Chief Guest:**
 - **Mr. Sanyam Dixit**, Managing Director of ShapeMySkills Pvt. Ltd., graced the event as the chief guest.
 - He emphasized the importance of industry-aligned skill development and the vision of empowering students through advanced technology training.
- **Invertis University Representation:**
 - The MoU was formally signed by **Mr. Mohd Talha Khan**, Director of Industry Partnership & CSED, Invertis University in esteemed presence of Hon'ble Vice Chancellor Prof. YDS Arya.
 - The ceremony was attended by **Deans and Heads of Departments (HODs)** across faculties, highlighting the multi-disciplinary impact of this partnership.
 - The faculty members actively interacted with the ShapeMySkills team to understand the scope, delivery methods, and potential outcomes of the training programs.

Outcomes and Future Roadmap:

- Regular **training sessions and workshops** to be scheduled starting from the upcoming academic semester.
- Collaborative events such as **Hackathons, Industry Talks, Live Projects, and Internship Programs** are planned as part of the implementation.
- Increased **placement opportunities** through industry referrals and certification-based assessments.
