ABOUT INVERTIS UNIVERSITY

Invertis is a leading University offering a wide range of courses pertaining to different fields of studies. Established in the year 1998, Invertis has grown immensely and today it stands as a full-fledged University with 9 different institutes under its umbrella. Invertis is a delightful destination for the students not only in terms of acquiring academic prowess but also for holistic development and studying in a world class learning environment. The teaching methodology adopted by Invertis is based on learning beyond academics which ensures all-round development of the students through warmth from the faculty, guidance from the management and direction for the life ahead through career shaping. We offer a range of Doctoral, Post Graduate & Under Graduate programmes in Management, Law, Commerce, Computer Applications, Pharmacy, Education, Journalism & Mass Communication, Bio-Science & Technology, Science, Fashion Design and Engineering & Technology. At Invertis, we believe that the success of a teacher comes along with the achievements of a student. To ensure that our students succeed, we make sure that they get the very best, that's why our faculty comes from premier institutes like IITs, IIMs & NITs. Invertis pioneered the concept of holistic development, an approach of more than just text book studying and an all-round approach of learning. "Technology is best when it brings people together".
