## About the Invertis University

Invertis University is situated in Bareilly on NH-24, equidistant from the country's capital, Delhi and State's capital Lucknow. From a humble beginning in 1998, Invertis has come a long way. From 83 students and one Institute-Invertis Institute of Management Studies, today we stand tall as a full-fledged University with 10 different institutes under its name. We offer a range of Doctoral, Post Graduate & Under Graduate programs in Management, Computer Applications, Engineering, Agriculture, Law, Commerce, Pharmacy, Journalism & Mass Communication, Fashion Design, Education and Applied Science & Humanities. At Invertis, we believe that the success of a teacher comes along with the achievements of a students. To ensure our students succeed we make sure they get the very best, that's why our faculty comes from premier institutes like IIT's, IIM's & NIT's. Invertis pioneered the concept of holistic development, an approach of more than just text book studying and an all-round approach of learning.

It stems from the old management concept of "Keep your feet warm, back straight and head cool."

## About the Kautilya International Foundation

Kautilya International Foundation (KIF), a cultural, civilizational and policy research centre, is founded by Shri K N Govindacharya to reinvent and establish traditional, spiritual and philosophical knowledge system based on Bhartiya (Indian) wisdom, ethics, and values. Dr. Nand Kishor Garg ji is the present chairman of KIF. This foundation emphasizes to implement principles of Kautilya and renowned Bhartiya Acharya in the current scenario in the field of education and culture, law and justice, science and technology, economics and finance, markets and trade, politics and diplomacy, defense and foreign affairs etc. with the help of systematic study, deep research and scholarly dialogs. In the primary exploration, KIF has found that there are many brilliant scholars and experts who have already studied and/or are studying Kautilya either individually and/or in small groups across the globe. Therefore, KIF is looking forward to create a unique platform for such scholars and experts, of different sectors, where they can assemble together in regular time interval to exchange their ideas, experiences, and findings with each other and may further plan their work altogether as a strong force to guide the society towards its real and nature centric growth.

## About Webinar Series

The COVID-19 pandemic has caused socio-economic commotions across the globe coercing various nations to redraw their economic policies.

The issues like widespread unemployment, and the collapse of the supply chain have moved many nations like India, Japan, South Korea and others to shift their emphasis from offshoring to reshoring. At a time when the world is suffering from a deadly pandemic, India plans to convert this crisis into an opportunity and strengthen its fight by becoming Aatma Nirbhar or self-reliant.

The term was coined by the Prime Minister of India, Mr Narendra Modi during his address to the nation on May 12, 2020. He called this campaign as Aatma Nirbhar Bharat Abhiyaan (Self- Reliant India Movement). It is an economic stimulus program that aims to cut down import dependence by focussing on substitution while improving the quality and safety standards of make in India products to enter the global value chain. Under this campaign, a special economic package has been released by the government, which will benefit various segments including cottage industry, Micro, Small and Medium Enterprises (MSMEs), labourers, middle class, and industries, among others.

In the Light of Our hon'ble Prime Minister's Vision, we are pleased to offer a series of Webinars On "INDO-CENTRIC RESEARCH AND STUDY FOR SELF-RELIANT INDIA" which will feature emerging trends in Interdisciplinary research to create a powerful learning experience . The innovative ,exciting and intellectual discussion by eminent speakers of all domains will induce a high order to instigate aspirants and the experts of multifaceted discipline to be a uniting force for nation building.
