

GenoPro-2021

October 8 & 9, 2021 (Friday & Saturday)

8th International Conference

ON Medical Health and Sustainable Development in Science and Technology

Invertis University, Bareilly invites you to participate in GenoPro2021, the 8th International conference in association with International Association of Advanced Materials (IAAM), Sweden to address emerging researches & new challenges in multi-disciplinary areas of Biotechnology. The motto of this conference is to bring together leading academicians, scientists, researchers, medical practitioners and various industry professionals from around the world to a common platform and have scientific discussion on the latest advancements in the closely interlinked domains in science, medicine and health and it's research benefits for each other's domain progress. This conference helps in enabling the life science industries to make new or better products, often with greater speed, efficiency and flexibility.

THRUST AREA

The scientific program of the GenoPro2021 is designed to discuss the major fields such as: Translation Research, Drug discovery and development, Cancer biology, Diagnostics & medical devices, Pharmaceutical Science, Agriculture, Microbiology, Immunology, Cell Culture, Renewable Energy Technology, Nanotechnology, Ancient DNA & Palaeogenomics, Bioprocess and Food Processing Technology, Industrial Biotechnology, Environmental Biotechnology, Cell Biology, Genetic Engineering, Molecular Biology, Biosensor, Bioinformatics and Computational Biology etc.

TECHNICAL SESSION

GenoPro2021 will commence with an introductory Keynote session, parallel plenary sessions of different thrust areas and award sessions for best presentations:-

- Young Scientist Award
- Oral Presentation Award I & II
- Poster Presentation Award I & II

ABOUT THE CONFERENCE

The present conference has been arranged in association with International Association of Advanced Materials (IAAM), Sweden to provide a platform for researchers, scholars academicians and industry personals to discuss key advances in diverse disciplines of Lifesciences, Medical, Technology, Agriculture, Pharmacy, Applied Sciences & Environmental Science.

CALL FOR PAPERS

Research Papers/Review Articles and abstracts are invited on the given three thrust areas and submitted on or before 30th September through email (genopro@invertis.org). Short listed Research Papers/Review Articles and abstracts will be published in special issue of *Advanced Materials Proceedings* The official journal of the International Association of Advanced Materials (IAAM), Sweden. The authors will be intimated by September 30th, 2021.

REGISTRATION FEE

	India	Abroad
Research Scholars & Students	INR 1000	USD 100
Faculty/Scientific Member	INR 2000	USD 150
Industry Personnel	INR 2000	USD 200
On Spot Registration*	INR 2000	USD 200

*Only for Faculty, Research Scholars and Students for more details, www.genopro2021.in

* Payment can be made through G-pay or UPI - manalidogh15@rediffmail.com
