Description:

The Engineering Department at Invertis University Bareilly organized the much-anticipated Freshers Party, themed "Express to Impress," on 13th September 2019. The event took place in Seminar Hall 2, creating an atmosphere of excitement and camaraderie amongst the new engineering students.

The event began with a warm welcome to all the first-year students, introducing them to the faculty and seniors of the department. The seniors ensured a lively and engaging environment, making the freshers feel comfortable and excited about the upcoming festivities.

The theme "Express to Impress" aimed to bring out the creativity and personality of the students. The evening kicked off with students showcasing their talents through various performances, including singing, dancing, poetry, and skits. These performances not only entertained the audience but also highlighted the diverse talents of the engineering students.

The Fashion Show was a major highlight of the event, where the freshers showcased their style and confidence on the ramp. Dressed in their best attires, the participants walked the runway, displaying a variety of fashion styles and trends.

To add an element of friendly competition, titles were awarded to the best-dressed male and female participants, the most talented fresher, and the "Mr. and Miss Fresher" of the evening. These titles recognized the exceptional talents and personalities of the new students.

The event also featured interactive games and dance sessions, allowing the students to unwind and bond with each other. The DJ session filled the hall with energetic beats, and the students danced the night away, forging new friendships and creating lasting memories.

The event concluded with the distribution of certificates and titles to the winners. The Chief Guest, faculty members, and seniors congratulated the participants and encouraged them to excel both academically and in extracurricular activities.

In conclusion, the Freshers Party "Express to Impress" organized by the Engineering Department at Invertis University Bareilly during the academic year 2019-20 was a lively and enjoyable event.
