

**17-January-2023**

**Ajeet Singh**

**Dear Ajeet Singh**

As per our discussion for the position of Junior Developer Trainee / Junior Developer aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an Internship with us for a period of **3 to 6 months**, starting **23rd January 2023**.

During this period, you will be provided with a variable stipend of up to INR 10000 per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

As we already informed you that joining date, we are looking forward to do the same and the internship would be based on the business demand aligned to your skill tracks.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Waviator, you must have successfully completed the prescribed Internship program. In the event of unsatisfactory Internship, Waviator reserves rights at its sole discretion to revoke its employment offer.

Please also note that:

- The Internship timings would be for 9 hours per day from Monday through Saturday aligned to the working timings followed in Waviator.
- Interns are covered under Waviator calendar holidays of the respective location of internship and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program.
- There would be zero tolerance to plagiarisms and misconduct during the internship. Any such incident reported will lead to immediate cancellation of internship without any notice.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions.
- You may be required, to travel to other locations within India if there is a business need as per your internship program.
- Waviator Solutions reserves rights regarding IT infra as applicable and access to information and material of Waviator during the internship period and may modify or amend the Waviator Solutions terms and conditions from time to time.
- Stipend payment will be done for the prescribed Internship Curriculum period only and no additional payment will be done for any delay in completion.
- Attendance and successful completion of Milestone(s) are the eligible factors for processing stipend payment and tenure spent will not guarantee your monthly stipend payment.
