Hi Sarathi,

We have shortlisted Antara Raman Sahay for the next round of interview.

@antara Please share the below mentioned assignment details for your reference.

Assignment - There is a scenario where we have a potential E-commerce client however we are unable to realise the potential. We need to provide a value proposition to add value or increase the revenue. Currently there is an existing e-commerce web application and the client would like to increase the accessibility and revenue. Please create a proposal stating the value proposition for the same. **Submission - 5:30 PM**
