Name of the program: Webinar on "Quality Assurance in Online Education."
Date: 14th May, 2020
Venue: Zoom Video Conferencing
Description:

The Internal Quality Assurance Cell (IQAC) of Invertis University organized an enlightening and thought-provoking webinar on "Quality Assurance in Online Education" on 14th May 2020. With the paradigm shift towards online learning, the webinar aimed to address the challenges and best practices in maintaining educational quality in the virtual realm. The primary objective of the webinar was to provide a platform for educators, administrators, and stakeholders to delve into the intricacies of quality assurance in online education. The event sought to offer insights and strategies for ensuring effective and high-quality online teaching and learning.

Mr. Akash Kapoor shared insights on global best practices in online education from Coursera's perspective. He discussed the importance of interactive content, engagement strategies, and personalized learning experiences. Mr. Kapoor highlighted the importance of faculty development programs to equip educators with effective online teaching strategies. He emphasized the need for training in technology integration and digital pedagogy.

A total of 100 participants benefited from this event. The list of programs included in this event was inaugural session, talks by guest speaker, Q&A session summarization, summation and closing remarks. At the end of the program the convener has taken the feedback from the participants and the key takeaways from the feedbacks are: Participants appreciated the emphasis on holistic course design discussed during the webinar. They recognized the importance of aligning learning objectives, content delivery, and assessment methods for a comprehensive online learning experience; Participants highlighted the significance of continuous evaluation and timely feedback in the online learning environment. They acknowledged the importance of keeping students engaged and motivated through consistent assessments.

	<p>National Institute of Disaster Management (NIDM), in collaboration with the INVERTIS University, Bareilly, Uttar Pradesh organized a WEBINAR on, "Pandemics, Lockdown and Way Forward," on 15th May, 2020 at 11:00 Hrs. There were more than 150 registrations from more than 40 organizations/institutions across the country but due to technology limitations of the hosting web platform. Objective of the webinar is knowledge sharing, information dissemination & awareness generation among the delegates/participants about the global crisis of COVID-19 pandemic & lockdown induced challenges especially in India, it also aims to develop understanding about the various prevention, response and recovery efforts undertaken by the Government & the possible way out hereafter. A total of 100 participants benefited from this event.</p>
