

Invertis University
NH-24, Bareilly-243123, U.P.

Name of the Cell/Department: Department of Civil Engineering

Academic year: 2019-20

Name of the program: Webinar on “Pandemic and Indian Economy”

Date: 28th May, 2020

Venue: Zoom Video Conferencing

Description:

National Institute of Disaster Management (NIDM), in collaboration with the Invertis University, Bareilly, Uttar Pradesh organized a Webinar on, “Pandemics and Indian Economy,” on 28th May, 2020 at 1100 Hrs. There were 178 registrations from more than 40 organizations/Institutions across the country but due to technology limitations of the hosting web platform, only 100 participants could be accommodated at one particular time.

Eminent speakers from various talks on important topics focused on topics such as Issues of Supply Chain Management during and Post COVID-19 in the Indian Context, issues of migrant labours in India, resilience in businesses, industry, and agriculture. The guests of the event were: Maj. Gen. Manoj Kumar Bindal (Executive Director NIDM); Prof. Anil K Gupta (Professor & Head ECDRM, NIDM); Lt. Col. D. C. Vashishta Joint Director, NIDM; Shri Ashish Kumar Panda, Consultant and Faculty Member, NIDM; Brigadier Vinod Dutta, Sr. Consultant NIDM; Mr. Vikrant Singh, Sr. Manager in the Reliance Industries Ltd.; Dr. Nikita Mishra, Asstt. Prof. Pharmacy Division, Invertis University.

A total of 178 participants benefited from this event. The list of programs included in this event was inaugural session, talks by guest speakers, Q&A session summarization, summation and closing remarks. At the end of the program the convener has taken the feedback from the participates and the key takeaways from the feedbacks are: Sensitization and information dissemination with respect to impact of Covid 19 and various phases of Lockdowns in India, especially with respect to diverse important fields of Indian Economy, Knowledge Sharing about specific key trouble areas with respect to the Small Scale Industries, Supply Chain Management and the Migrant Workers, Government initiatives being offered, accepted by respective States and executed across the country along with new pathways as to how to bring the Indian Economy again on the concrete roads
