VALUE ADDED COURSE

Course Details:

Name of the Course: - Gender Equality & Women Empowerment

Course Code – BC06

Course Offered to – B. Com (H) & B. Com

Course Duration – 50Hours

Course Coordinator: - Ms.Vnashree Rawat

OBJECTIVE:

The objective of this course is to give knowledge regarding gender equality and women empowerment and several benefits associated with them to students. Since a society's prosperity increases when women and girls can contribute on the same terms as men and boys through their resources and knowledge.

OVERVIEW:

Gender equality is a goal in itself and a prerequisite for sustainable and peaceful development. Gender equality is achieved when women, men, girls and boys have equal rights, conditions and opportunities, and the power to shape their own lives and contribute to the development of society. It is a matter of equitable distribution of power, influence and resources in society. The generally subordinate position of power of women and girls compared with men and boys must end. All forms of violence against women and girls affect both the individual and society as a whole and are an obstacle to gender equality and development. Social norms and customs that sanction inequality and violence against women and girls must be changed.

Course Outcome: Students will learn to

- Advantages of gender equality
- How to increase Share of women in GDP of India
- Ways to handle obstacles for achieving gender equality

What you will learn in this course

1. How to achieve Gender Equality
2. How to tackle the challenges related to Gender Equality
3. Role of women empowerment in society
4. How to increase GDP through women empowerment
