Are you concerned about your child? Wake up Call!

Watch our next live session on Instagram. <https://www.instagram.com/theresponsibleinvertian/>
Respected All,

Greetings of the Day!

This is to bring to your notice that The Responsible Invertian Club, Invertis University (Bareilly) is organizing a live talk show with Dr. Suvidha Sharma (renowned expert

and child psychologist) on **12 June** 2021 (Saturday), **12:00**

Noon onwards on Instagram through the official Instagram handle of the club. <https://www.instagram.com/theresponsibleinvertian/channel/> (Copy-paste the link) or follow the page by scanning the QR code given below)

The session is dedicated to unfolding the multi-dimensional impact that COVID-19 and lockdown have had on the mental health and development of children and teenagers. A vast variety of topics from **mental health to child psychology, from parenting to Covid 19** would be discussed and sought after for answers, making it a wholesome and knowledgeable session that will equip the listeners with a lot more clarity and understanding about the topic.

Hence we request all of you to please make sure that the students from your respective departments join the session and add to their wisdom. **Since this session is closely related to parents as well, therefore we would also appreciate it, if the parents of the students too join in good numbers.**

Your support and involvement are highly awaited.
