Biotechnology Department Hosts "Bon Voyage"

Invertis University's Biotechnology Department hosted a spectacular event, "Bon Voyage," on 2nd April 2021, at Seminar Hall 1. The event was carefully crafted to extend a warm welcome to the students and create unforgettable memories as they embarked on their college journey.

"Bon Voyage" was a mesmerizing affair, featuring a range of cultural events that showcased the talents and creativity of the students. The program aimed to foster a sense of belonging and camaraderie among the attendees, encouraging them to explore the fascinating world of biotechnology.

The Biotechnology Department continues to nurture the passion for science and innovation, preparing students for a promising future in the field of biotechnology.
