Press Note

Name of Event: FDP on “Choice Based
Credit System: Concept, Policy and Practice”

Date: 19-24 April 2021

The IQAC cell of Invertis University, Bareilly, in collaboration with IAAM (International Association of Advanced Materials) Sweden, organized a highly informative and engaging Faculty Development Program (FDP) on the topic "Choice Based Credit System: Concept, Policy and Practice." The event took place online from 19th to 24th April 2021. The FDP aimed to provide participants with a comprehensive understanding of the Choice Based Credit System (CBCS) and its implementation in the higher education system. The FDP featured renowned guest speakers, Dr. Ashutosh Tiwari, Director of IAAM Sweden, and Dr. Anshuman Mishra, Group Leader at IAAM Sweden. Their expertise and insights in the field of advanced materials greatly enhanced the value of the event. Their presentations and interactive sessions provided participants with valuable knowledge and perspectives on the CBCS framework, its conceptual foundations, policy guidelines, and practical implementation. The event offered a platform for participants to engage in thought-provoking discussions, exchange ideas, and learn about the best practices and strategies associated with the CBCS. A total of 110 participants benefited from this event.
