Name of the Cell/Department: IQAC cell

Academic year: 2020-21

Name of the program: Webinar on "Outcome-Based Education & Digital Pedagogy"

Date: 29 June 2021

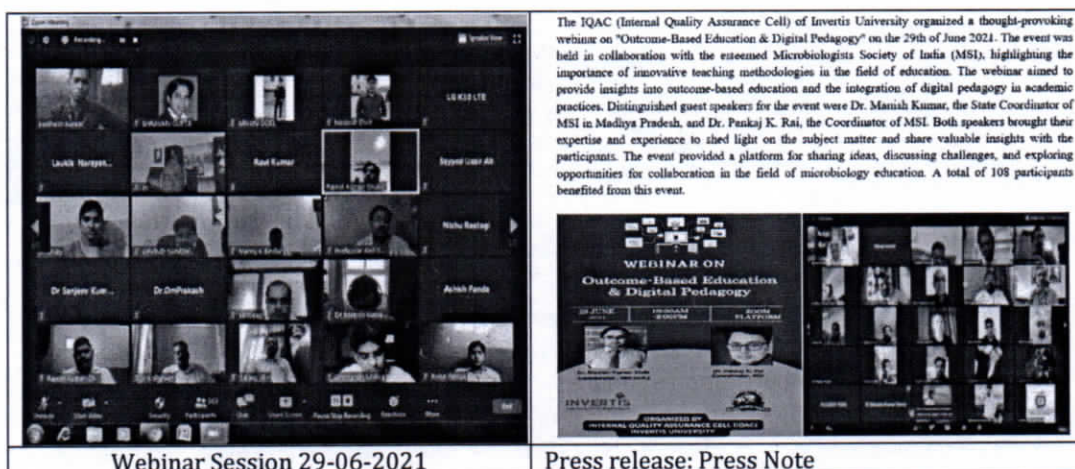

Venue: Zoom Video Conferencing

Description:

The IQAC (Internal Quality Assurance Cell) of Invertis University organized a thought-provoking webinar on "Outcome-Based Education & Digital Pedagogy" on the 29th of June 2021. The event was held in collaboration with the esteemed Microbiologists Society of India (MSI), highlighting the importance of innovative teaching methodologies in the field of education. The webinar aimed to provide insights into outcome-based education and the integration of digital pedagogy in academic practices.

Distinguished guest speakers for the event were Dr. Manish Kumar, the State Coordinator of MSI in Madhya Pradesh, and Dr. Pankaj K. Rai, the Coordinator of MSI. Both speakers brought their expertise and experience to shed light on the subject matter and share valuable insights with the participants. The event provided a platform for sharing ideas, discussing challenges, and exploring opportunities for collaboration in the field of microbiology education.

A total of 108 participants benefited from this event. The list of programs included in this event was inaugural session, talks by guest speakers, Q&A session, Summation remarks, valedictory address and concluding remarks. At the end of the program the convener has taken the feedback from the participants and the key takeaways from the feedbacks are: participants appreciated the comprehensive overview provided on outcome-based education, enabling them to better understand the importance of defining and assessing learning outcomes, Participants gained practical strategies and actionable insights that they could implement in their own teaching practices, enhancing the overall quality of education in microbiology etc.
