Description:

Due to continued COVID measures, Invertis University presented a student orientation program online on August 17, 2020, to welcome its newest batch of enrollees. The purpose of the event was to introduce the freshmen to the resources accessible to them as well as the campus, staff, and administration. Honorable Vice Chancellor Dr. Y. D. S. Arya, Honorable Chancellor Dr. Umesh Gautam, and the deans of the university's several departments all graced the occasion.

A total of 1549 students participated in this event online. Honorable Chancellor Dr. Umesh Gautam welcomed freshmen to the institution and urged them to make the most of their academic opportunities as he opened the event. He emphasized the value of endurance, hard work, and dedication in achieving academic and other goals. The Honorable Vice Chancellor, Dr. Y. D. S. Arya, then ascended the stage and introduced the incoming students to the university's vision, mission, and values. The deans of various departments of the university then gave presentations on their respective disciplines, including the courses offered and career prospects. The orientation program also included a virtual campus tour, during which the students were shown the various facilities on campus, including the library, laboratories, sports complex, cafeteria, and hostels. The tour helped the students to familiarize themselves with the campus and its resources and get a better understanding of university life.

At the end of the program, the convener has taken the feedback from the participants and the key takeaways from the feedback are: The students were introduced to the university's vision, mission, and values by the Honorable Chancellor and Vice-Chancellor, which helped them to understand the university's commitment to academic excellence, research, and innovation. The students were also informed about the various clubs, societies, and extracurricular activities available.
