

## Personal Grooming Syllabus (PH02)

**Scope:** This program is specially designed to polish the image of company personnel and individuals. It is inculcated in and impress upon the participants the importance of developing the RIGHT image of themselves to the people they meet. Through the intrinsic inter-personal values and extrinsic social skills, participants will project an image consistent with their organizational goals and further enhance their personal image.

**Course Outcome:** The course has four major learning objectives. Upon completion of this course a student should be able to:

1. Develop a professional image that will be in accordance to the business environment
2. Master the fundamentals of professionalism, business etiquette and protocol
3. Learn the art of looking confident, friendly and approachable through our body language
4. Develop a sense of professionalism and dressing with style
