## CERTIFICATE OF INTERNSHIP

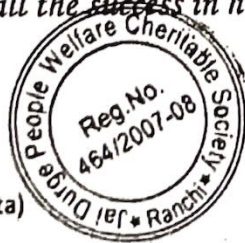

This is to certify that Mister Akash Kumar Karn has participated in Advocacy program on Biodiversity. This program is mainly based on conservation and sustainable use of Bio- resources, preparation of PBR (People Biodiversity Register) and proper functioning of BMC (Biodiversity Management Committee)

He has participated one month internship training in our organization for the period of 01/07/2022 to 31/07/2022. He visited various panchayat and blocks for preparation of PBR (People Biodiversity Register) and BMC (Biodiversity Management Committee) and participated in villagers awareness program and learned about the project activities and their implementation

During his internship he was punctual and disciplined. He was able to administer his learning into field work. His convincing power is good enough which showed during interaction with people and office bearer.

We wish him all the success in his future endeavors
