TO WHOMEVER IT MAY CONCERN

This is to certify that Mr. Firoz Khan(BSED2018047) has completed his 14 weeks' internship program in our institution . We were happy to have him here with us. During his internship he had been a great help to us. He has exhibited his teaching skills and other talents and qualities while he was here.

I observed him as a good teacher who was able to manage the classes well. He got an opportunity to be a class teacher of 9th class for a month. He did his responsibilities well. He was active and got involved in all the activities of the school. He was able to explain the concepts well to the students. He was hardworking and available for any work.

Since he studied here in this school and was working with his own teachers he must have found it little difficult. But he managed well. He needs to pick up little more confidence and that will improve as he gets more experience and exposures.

I wish him all the best for his future endeavours.
