## TO WHOMEVER IT MAY CONCERN

This is to certify that Ms. Lubna Khanam(BAED2018037) has completed her 14 week's internship program in our institution. We were happy to have her here with us. During her internship she had been a great help to us. She has exhibited her teaching skills and other talents and qualities while she was here.

She had been managing classes single handedly on many days and she is able to handle the students quite well. She was serious about her tasks and was reliable. In my observation she is a good teacher and do not waste time unnecessarily. She has good command over her subject.

She can be little more lively and active and so the class can also be active. If she picks up this quality she can be a great teacher.

I wish her all the best for her future endeavours.
