<b>Form no</b>	<b>Overall Suggestions</b>
1	The curriculum needs structural, comprehensive and relevant changes as per the demand of industry.
2	The curriculum need relevant changes and proper arrangement of labs for students .
3	The curriculum helps in developing analytical and problem solving skills.
4	The curriculum need to develop overall personality of students for that addition of personality development and soft skill related value added course are much needed.
5	The curriculum having good academic flexibility for labs but it needs to added some value added courses which are more essential for various competitive exams.
