

Performances to win the heart

Invertis University organised a dance event Danspiration Reloaded at annual festival Invertia on March 26, 2022, in the main auditorium of Invertis University.

32 dance performances from different departments won the heart of the audience and were applauded in the hall. The audience was spellbound by the artistry and the ability of the dancers to convey the emotions and stories behind each dance form. The university's faculty and students appreciated the mesmerizing performances showcasing the beauty and richness of India's cultural heritage. Ms Ashal Ilyas, CEO of rock-on club, coordinated the event

“This is one of the most important events to happen in at Invertia 2022,” Vice-chancellor of Invertis University, and Judge of the Event said. “Never seen such talents before”.
