**Description:** Report on the Stride-Sports Club's Paintball Event

The Stride-Sports Club of Invertis University organized an exhilarating paintball event named "Battle Survivors" as part of the academic year 2021-22. The event took place on the 25th and 26th of March 2022 at the Main Lawn in front of the Auditorium, and it proved to be a remarkable experience for both faculty members and students.

The objective of including paintball in Invertia 2022 was to promote team-building and provide a thrilling recreational activity for the participants. The necessary equipment, including paintball markers and paintballs, were made available to the players. To ensure the safety of the participants, masks and goggles were provided, and a dedicated referee was appointed to ensure fair gameplay.

Strategic obstructions were strategically placed throughout the playing field, adding an extra layer of excitement to the game. This made the event more challenging and enjoyable for the teams. Each team consisted of five players, and two teams could compete against each other at a time. The participants, both faculty members and students, wholeheartedly embraced the competitive spirit of the game, making it a fun bonding experience for everyone involved.

The feedback from the participants was overwhelmingly positive, with many describing the event as a stunning and unforgettable experience. The paintball event successfully achieved its goal of fostering teamwork, enhancing communication skills, and providing an opportunity for individuals to showcase their tactical abilities.

The Stride-Sports Club of Invertis University deserves commendation for organizing such an engaging and well-executed paintball event. By incorporating this activity into Invertia 2022, the club not only provided a platform for students and faculty members to unwind but also contributed to the overall campus experience by promoting a healthy and dynamic environment.

In conclusion, the "Battle Survivors" paintball event organized by the Stride-Sports Club during the academic year 2021-22 was a resounding success. The event not only provided an enjoyable and thrilling experience but also fostered team spirit and camaraderie among the participants. It is initiatives like these that make Invertis University a vibrant and enriching academic institution.
