Name of the Program: FDP on "New Education Policy 2020 framework and implementation"

Date: 07-12 February 2022

The IQAC cell at Invertis University, in collaboration with the Microbiologists Society of India (MSI), organized a Faculty Development Program (FDP) on the "New Education Policy 2020 framework and implementation." The program was held from 07th to 12th February 2022 and aimed to familiarize faculty members with the key aspects and implementation strategies of the New Education Policy 2020. The FDP focused on providing participants with an in-depth understanding of the framework and objectives outlined in the New Education Policy 2020. Dr. Manish Kumar, as the State Coordinator for Madhya Pradesh, MSI shared his expertise and insights into the New Education Policy 2020. His talk offered a practical perspective on the policy's impact and implications for the education system. Dr. Pankaj K. Rai, as the Coordinator at MSI, contributed to the FDP by providing insights into the interdisciplinary aspects of microbiology and its relevance to the implementation of the New Education Policy. A total of 126 participants benefited from this event.
