

**Name of the Cell/Department:** Invertis University

**Academic year:** 2021-22

**Name of the program:** Student Orientation Programme

**Date:** 16-08-21

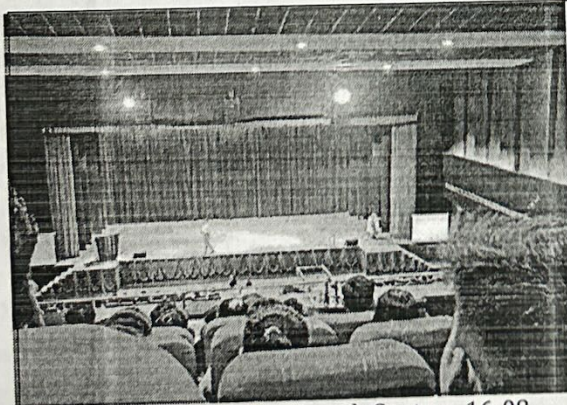

**Venue:** Main Auditorium

**Description:**

Invertis University held a student orientation program on August 16th, 2021, in the main auditorium of the campus, to welcome its new batch of students. The event was organized to help the freshers familiarize themselves with the campus, the faculty, the administration, and the various resources available to them. The event was graced by the presence of Dr. Umesh Gautam, Honorable Chancellor, Dr. Y. D. S. Arya, Honorable Vice Chancellor, and the deans of various departments of the university.

A total of 50 participants participated this event. Dr. Umesh Gautam, Honorable Chancellor, started the program by welcoming the new students to the university and encouraging them to make the most of their academic journey. He emphasized the importance of hard work, dedication, and perseverance in achieving success in academics and beyond. Dr. Y. D. S. Arya, Honorable Vice Chancellor, then took the stage and introduced the new students to the university's vision, mission, and values. The deans of various departments of the university then gave presentations on their respective disciplines, including the courses offered and career prospects. The orientation program also included a campus tour, during which the students were shown the various facilities on campus, including the library, laboratories, sports complex, cafeteria, and hostels. The tour helped the students to familiarize themselves with the campus and its resources and get a better understanding of university life.

At the end of the program the convener has taken the feedback from the participants and the key takeaways from the feedbacks are: the students got an introduction to the university's vision, mission, and values from the Honorable Chancellor and Vice Chancellor, which helped them to understand the university's commitment to academic excellence, research, and innovation, the students were informed about the different clubs, societies, and extracurricular activities available on campus, which provided them with an opportunity to explore their interests beyond academics.
