## *Message from the Chancellor*

*"Success is not a destination,*

*We wish to grow beyond its dimensions as an*

*ongoing process of change and advancement."*

Our quest at Invertis starts with the honing of the pivotal aspect of human development. I was drawn towards the field of education where I first took note of the wide gap in conventional education and its applicable utility, and relevance to the outside world. My own stint as a student sparked in me a desire to build an institute which will be an educational hub with an identity to reckon with, encompassing a vision and mission indigenously developed and nurtured. Thus Invertis was born in 1998, dedicated to, imparting wholesome education, grooming its students into self reliant professionals who will contribute positively towards national growth and prosperity. With the University status granted to us, our responsibilities have grown further and we need to establish ourselves as one of the finest Universities in the country and the world. My best wishes are with you all.

**Umesh Gautam**  
Chancellor
