Action Taken Report (2016-17)

Department of Computer Applications

Action taken report: (27.08.2016)

S.No.	Agenda and Minutes	Action Taken
1	Proposal of introducing new course B.Sc (Hon) in Computer Science in the department	B.Sc (Hon) in Computer Science Course introduced from the session 2016-17.
2	Scheme of instructions and 1 st year syllabus of B.Sc (Hon) in Computer Science is proposed	Approved the Scheme of instructions and 1 st year syllabus of B.Sc (Hon) in Computer Science for the session 2016-17.
3	Proposal of modified Scheme of instructions of MCA and BCA (all years) for approval	Modified Scheme of instructions of MCA and BCA (all years) like changes in elective papers in MCA 4 th Semester, MCA 5 th Semester and BCA 5 th Semester etc.
4	Proposal for conducting the International Seminar on "Advanced Computing Techniques ACT 2016" on 19 th and 20 th November 2016.	International Seminar on "Advanced Computing Techniques ACT 2016" held on 19 th and 20 th November 2016.

Jitendra K. Chaudhary
HOD, Computer Application

Action Taken Report (2018-19)

Department of Computer Applications

Action taken report: (13.06.2018)

S. No.	Agenda and Minutes	Action Taken			
				Elective III	Elective IV
1	Proposal of modified Scheme of instructions of MCA for approval	a. Python	a. DIP		
		b. Big Data	b. ANN		
		c. SQL Server	c. Distributed System		
		d. MAT Lab	d. ERP		
		e. Compiler Design	e. Software Testing		
2	In BCA 5 th Semester curriculum, one subject should be added as elective (with Lab):	SNo.	Subject Name	Subject Code	Remark
		1	Artificial Intelligence	BCA 514	Theory
		2	Artificial Intelligence Lab	BCA 555	Practical
3	E-Commerce should be applied in BCA curriculum with more secured features. Suggested Subject Name: "E-Business with security issues"	SNo.	Subject Name	Subject Code	Remark
		1	E-Business with security issues	BCA 614	Theory
4	In MCA curriculum, Data warehouse and Data Mining should be core papers.	Data warehouse and Data Mining introduced as a core papers.

Action Taken Report (2019-2020)
Department of Education

Action taken report: (1st-BOS Date: 17-07-2019)

S.No.	Agenda and Minutes	Action Taken
1	To approve the programme structure and courses to be incorporated in B.A.B.Ed. and integrated B.Sc.B.Ed. programme.	Modified scheme of instructions and syllabus of B.A.B.Ed. and B.Sc.B.Ed. for approval. Scheme of instructions and syllabus of B.El.Ed. for approval.
2	Suggestions were given by BOS experts Political science I in all six semester.	Implemented.
3	Language communication I should be Language and communication.	Subject Name has been changed.
4	Use Education Technology as course title instead of Computer course I.	Subject title has been changed.
5	B.Ed. practical course I should name Practicum I.	B.Ed. practical name has been changed and modified by Practicum I.
6	Psychology practical doesn't need any external evaluation.	Implemented.
7	Use Environment Education instead of Environmental Science.	Subject title has been changed.
8	Rename course title ICT and Education in place of ICT in Education and marks weightage should be 50 in place of 100.	ICT in Education is replaced by ICT and Education with maximum marks weightage 50.
9	B.Ed. Practicum course- V should have Practicum –IV and no external evaluation is needed.	Implemented.
10	Pedagogy of school subject-I instead of pedagogy of first school subject.	Pedagogy of first school is replaced by Pedagogy of School subject-I.
11	Rename school internship(2 weeks) as school internship for practice teaching (2 weeks).	Implemented.
12	Reduce marks weightage of school internship of 16 weeks from 650 to external 455+internal 195.	Implemented.
13	Replace summer break assignment with EPC-IV.	Summer break has been replaced by Assignment with EPC- IV.
14	Reduce marks weightage of course –(i) Gender school and society (ii) curriculum development from 100 to 50 marks.	Marks weightage has been reduced to 50.
15	Rename elective course Human Values and Ethics as Value Education.	Human Values and Ethics has been changed by Value Education.
16	General suggestion divided whole programme structure in five parts. (a) Core course for B.A. and B.Sc. (b) Core course for Educational Components. (c) Practicum based on Activities B.Ed.	New structure according to parts has been Implemented.

(Signature)
(Dr. Anandesh Sharma)
HOD, Education

	(d) EPC courses (e) School internship (f) Uniformity should be there in codes (g) Do not write assignment in syllabus.	
17	Suggestions mentioned in BOS I regarding B.A.B.Ed. education has been followed and corrected and approved by BOS2nd.	Suggestion mentioned in BOS I regarding B.A.B.Ed. Education has been followed and corrected.
18	Deep study of different university syllabus has been done by the faculty of Education Department and on the basis of studied syllabus new syllabus of B.El.Ed. has been designed and approved by BOS.	Deep study of different university syllabus has been done by the faculty of Education Department and on the basis of studied syllabus new syllabus of B.El.Ed. has been designed and discussed and send to the BOS for approval.
19	Scheme of instruction and syllabus of B.El.Ed. has been approved.	Scheme of instruction and syllabus of B.El.Ed. was discussed and send to the BOS for approval.
20	Modified scheme of instruction of syllabus of B.A.B.Ed has been approved by BOS.	Modified scheme of instruction of syllabus of B.A.B.Ed was discussed and send to the BOS for approval.
21	One change in B.A.B.ED. subject has been made in place of Economics(BAB104) History(BAB105) has been approved by BOS.	Change in B.A.B.ED. was made in place of Economics (BAB104) History (BAB105) has been introduced with the approval of Academic Board and now send to the BOS for approval.
22	Modified scheme of instruction of B.Sc.B.Ed. PCM, ZBC has been approved by BOS.	
23	Modified syllabus of B.Sc.B.Ed. (PCM, ZBC) has been approved by BOS.	Modified scheme of instruction and syllabus of B.Sc.B.Ed. PCM, ZBC was discussed and send to the BOS for approval.
24	Ordinance (modified) for the approval	Change in BAB201 English lit-ii and BAB401 English Lit-IV was discussed and send to the BOS for approval.

		thermodynamics) and BST305 (Computer application and Biostatistics). In 4 th sem two paper from 5 th sem (BST501, BST504) were sifted to 4 th sem (BST404 and BST405). In 5 th sem 3 new paper were introduced BST502, BST503, BST504. In sem 6 th 4 new paper were added BST602, BST603, BST604, BST605. In BSc Biotechnology syllabus content has been changed as required.
3.	Syllabus updation - B.Tech Biotechnology (Semester I to Semester VIII)	The course content of BBT306, BBT701, BBT751, BBT303, BBT303, BBT403, BBT604, BBT304, BBT506, BBT504, BBT603, BBT402, BBT706, BBT704, BBT503, BBT406 were discussed and necessary updated were made.
4.	Syllabus updation - M.Sc. Biotechnology (Semester I to Semester IV)	New course structure was designed and decided to have 5 theory papers instead 4 and lab remain same as previous. One new course code, paper name and syllabus has been introduced in each sem and rearranged. The name and code of paper MST101 Cell biology changed to MST102 Cell and Developmental Biology. Two new papers MST103 and MST105 introduced. Necessary modification in course content has been modified as per expert suggestion and members discussion.
5.	Approval of MSc Food Technology course structure, syllabus and evaluation scheme	Approval and finalization of Course structure, evaluation scheme & Syllabus for M.Sc. Food Technology (from Semester I to Semester IV). Structure includes five theory paper, three practical labs and one seminar in semester I, II

		and III. In fourth semester students will have to go for the dissertation and presentation in front of external examiner will be approved as final examination.
6.	Syllabus updation – Ph.D Biotechnology (Course Work)	PhD course work paper name, elective papers were discussed. Expert remove internal exam for PhD course work. Committee discussed on PHD0317, PHD173, PHD174, PHD162, PHD175, PHD176 and course content. With minor modification course content were approved by committee members.

Action Taken (BOS 2016-2017)

Department of Computer Science and Engineering

Action Taken Report: BOS-21.01.2017

S.No	Agenda and Minutes of the meeting	Action Taken
1.	<p>External experts Prof. Manoj Mishra, Department of Computer Science and Engineering, IIT Roorkee, (expert of Distributed Computing and network Security) all the members were welcomed.</p>	
2.	<p>Faculty members teaching in B.Tech Computer Science and Engineering, Student and Alumni provided feedback on updation/modification of syllabus to the HoD, to make the course more industry oriented. The feedbacks were discussed with the experts.</p>	<p>In B. Tech CSE, the syllabus was modified according to the industry need. Some new courses were added and course codes were also changed after the suggestion and recommendation of the expert. In 4th semester the new course was added "Object oriented Techniques (BCS407)" and science elective was removed, in 5th semester course "PPL (BCS505)" was converted to an elective subject and new courses were added along with it "(BCS051 – BCS055) PPL, Fuzzy logic, Multimedia systems Soft computing and Cloud architecture" respectively. In 7th</p>

 Anil Pandey
 HOD, CSE

		<p>semester two courses “Real time systems” and “Client server computing” were removed and new courses “Data warehouse and mining” and “Distributed systems” were introduced . In 8th semester one new course was added “.Net Framework” as per industry demand. Syllabus of labs has also been updated. Some shuffling of courses and changes in course code was also done on the industry demand. Necessary modification in course syllabus and course codes, has been done as per expert suggestion and members’ discussion.</p>
<p>3.</p>	<p>Faculty members teaching in B.Tech CTIS, Student and Alumni provided feedback on updation/modification of syllabus to the HoD. The main objective was to make the course more industry oriented. The feedbacks were discussed with the experts.</p>	<p>The syllabus of few courses has been updated and course code have been changed after discussion and suggestion of the expert and members. In 3rd semester the course “Introduction to IT Security and its Threats (BCS304)” was upgraded with few modifications in the syllabus and renamed as “Fundamentals of Information security (BCS305)”. In 5th semester the course “ OOPS with Java(BCS503)” was renamed as “ Java Programming” and course “ Private Cloud Architecture(BSC509)” was removed and a new elective subject was added with the following choices “(BCS051 – BCS055) PPL, Fuzzy logic, Multimedia systems Soft computing</p>

 (Anil Kumar)
 HoD, C&E

		<p>and Cloud architecture” respectively” after the suggestion of the experts. In 6th semester two courses “ Linux Administration(BCS605)” and “Software project management(BCS606)” were replaced by two elective courses , “ (BCS-061 –BCS065) Software testing, Graph theory, System Programming, PHP and Linux Administration” and (BCS066 – BCS070) Software project management, Pattern recognition, Parallel algorithm, NLP, and ERP system respectively”. In 7th semester the course “ Computer Architecture(BCS 701)” was renamed as “ Advanced Computer Architecture” as per suggestion of the experts. In 8th semester the course “ COBIT and risk management in IT(BCS803)” was removed and replaced by elective course “(BCS086- BCS090) computational geometry, computational complexity, IT in forensic science, Advanced computer network, Big data Analysis”. Some shuffling of courses and changes in course code was also done on the industry demand and advise of the experts and members.</p>
4.	Faculty members teaching in M.TechComputer Science and Engineering, Student and Alumni provided feedback on	In M.Tech CSE, the number of courses have been increased from 4 to 5 in first two semesters, as per the expert suggestions. In 1 st semester new course

 Anil Pandey
 HOD, CSE

<p>update/modification of syllabus to the HoD. The feedbacks were discussed with the experts.</p>	<p>was added "(MCS105) Cloud Computing" and in 2nd semester one new course was added "(MCS205) Object Oriented modelling". Seminars in first three semesters was renamed as "Colloquium & Research Review Paper" as suggested by the members and experts. Necessary modification in course content has been done as per expert suggestion and members' discussion and details are being attached.</p>

Action Taken (BOS 2018-2019)

Department of Agriculture

Action Taken Report: BOS-23.01.2019

S.No	Agenda and Minutes of the meeting	Action Taken
1.	<p>External experts Prof. K.P.Raverkar, Department of Soil science, G.B.P.U.A&T, Pantnagar- Udham Singh Nagar, Pantnagar, Uttarakhand 263153(external expert for Agriculture), and Prof. Anchal Das, Division of Agronomy, IARI,Pusa, New Delhi, Delhi 110012(external expert for Agriculture), to all the members were welcomed.</p>	
2.	<p>Faculty members teaching in B.ScAgriculture and Student provided feedback on updating/modification of syllabus to the HoD.The main objective was to update the syllabus as per 5th dean committee recommendation by ICAR.The feedbacks were discussed with the experts.</p>	<p>New course structure was designed and prepared as per 5th dean committee of ICAR. New papers were introduced in the syllabus in Ist Sem (BAG 109- Agriculture heritage, BAG-110- Rural sociology and educational psychology, BAG 111-Human value and ethics, BAG 158- Yoga practices and VI sem. (BAG 602 Protected cultivation and secondary cultivation and BAG 608-Farm</p>

		<p>management, production and resource economics. The course- BAG 602 Diary technology has been removed. Twelve elective courses has been added to the syllabus among which student has to offer three courses during fourth, fifth and sixth semester. The syllabus and titles of most of the courses has been updated and modified according to the experts. Marking system has also been changed. Necessary modification in course content has been done as per expert suggestion and members' discussion.</p>

Action Taken Report (2019-2020)

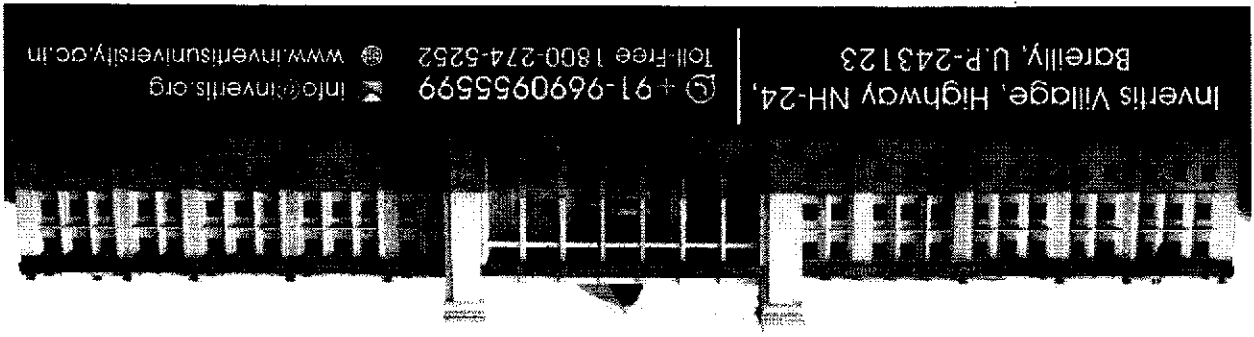

Department of Electrical Engineering/Electronics & Communication Engineering

Action taken Report: BOS 20-1-2019

ItemNo.	Agenda and Minutes	Action Taken
1.	The meeting started with warm welcome extended to member of Board of studies by Mr.Mon Prakash Upadhyay.	
2.	Technical write up skill of the students are lagging in respective domain; it should be trained by Professional Communication Department faculties.	Department can hire some peoples from external agency and also our faculty from PC department.
3.	BOS also suggested that department can include certification course in the curriculum with some credit.	Department organizing workshop/seminar in each semester.
4.	Matlab simulation tool is introduced for performing the practical subject like power system lab, Digital Image processing lab.	Department performs minimum two practical of mention subject on MATLAB.
5.	Some modification in syllabus of Network & analysis takes place.	Some topics removed and added to signal & system.
6.	Subject Basic System Analysis is now removed from the syllabus of B.Tech. (EE/EEE).	Department adding the topics of BSA to signal & System.
7.	Discussed about another branch of B.Tech. ECE with IOT to meet Industry needs.	The recommendation made by BOS member has been passed to the HOD. This course is going to be start from session 2020-21.

Action Taken Report (2015-16)
Department of Mechanical Engineering

Action taken report:

(Date/Time: -Meeting held on 03/02/15 in Conference Room-2, at 12:30 pm.)

S. No.	Agenda and Minutes	Action Taken
1	The meeting started with a warm welcome by the chairperson to all expert member and internal BOS Members.	
2	The draft study of syllabus B.Tech 2 nd year onwards and noted the corrections	The correction suggested by the BOS experts in the course contents and syllabus has been incorporated
3	BOS meeting for finalizing the new subject syllabus and scheme of evaluation for B.Tech 3 rd and 4 th (Mechanical Engineering and M.Tech (weekend program))	The suggestion made by BOS experts for the new subjects and syllabus in B.Tech 3 rd & 4 th year has been implemented and also some new topics introduced
4	Include Fluid/Hydraulic Machinery (with an emphasis to hydraulic turbines and pumps with basics of Hydel power plant) as a compulsory subject (not elective one) along with Practical in either 5 th /6 th semester.	The suggestion made by BOS experts in Fluid/Hydraulic Machinery (with an emphasis to hydraulic turbines and pumps with basics of Hydel power plant) as a compulsory subject (not elective one) along with Practical in either 5 th /6 th semester has approved and considered for academic counsel.
5	Finalizing/update scheme of evaluation for B.Tech (Mechanical Engineering) 1 st 2 nd yr., 3 rd and 4 th year	The recommendation in B.Tech Update scheme of evaluation has been passed by BOS for future considerations
6	Introduce M.Tech in Mechanical Engineering as a specialization of Thermal Engineering and Production Engineering	The recommendation has been considered and proceed for syllabus, scheme of evaluation and forwarded to academic meetings
