Event Report on the Program Red Hat Linux

Resource Person(s): Mr. Umesh Kushwah
(RanLab Software Technology)

Date: 13-14 October, 2017

Venue: Seminar Hall 1, Invertis University

Description: A workshop was organized by Computer Science & Engineering Department for Courses on 13th and 14th October 2017. The resource person for the workshop was Mr. Umesh Kushwah from Rannlab Software industry, Noida. Workshop was all about RedHat Linux Technology. This was a learning and knowledge enhancing session for the students in which they learnt How to work with techniques and enhancing their technical skills. Thanks to All Computer Science & Engineering Faculties for help to conducting this workshop.

Resource Person(s): Mr. Ananad Pandey from SmartBrain IT industry

Date: 09 October, 2017

Venue: Seminar Hall 2, Invertis University

Description: A workshop was organized by Computer Science & Engineering Department for Courses M. Tech., B. Tech. on 09th October 2017. The resource person for the workshop was Mr. Anand Pandey (Having Experience with IBM and Microsoft in IT Industry) from SmartBrain IT industry, Noida. Workshop was all about Cloud Technology. This was a learning and knowledge enhancing session for the students in which they learnt many Cloud techniques and also implement cloud in live which enhancing their technical skills. Thanks to All Computer Science & Engineering Faculties & I-Tech Club for help to conducting this workshop.

FDP: Advanced Java with mini projects.

Resource Person(s): Dr. yashi Asthan and Mr. Brijesh from SmartBrain IT industry

Date: 25-26 September, 2017

Venue: Seminar Hall 2, Invertis University

Description: A workshop was organized by Computer Science & Engineering Department for Courses M. Tech, B. Tech. & Diploma on 25th and 26th September 2017. The resource person for the workshop was Dr. Yashi Asthana and Mr. Brijesh (Having more than 15 year experience in IT Industry) from Softpro IT industry, Lucknow. Workshop was all about Advance java programming and Each student design a mini project by using this java technology. This was a learning and knowledge enhancing session for the students in which they learnt many techniques like databases, HTML, JSP, CSS and object oriented approach for projects, which will help in enhancing their technical skills. Thanks to All Computer Science & Engineering Faculties & I-Tech Club for help to conducting this workshop.

Participant List

Neetu Gupta	Abhinav Nath
Nasreen Javed	Sagar Chhabra
Apras	Lalita and Kanika
Abhishek Agnihotri	Shivangi Ghildiyal

Faculty Development Programme On Faith Development

INVERTIS
UNIVERSITY BAREILLY
Established by Govt. of U.P. in 2003 under UGC Act, 1956 with U.P. Act 22 of 2005

July 18 to July 22, 2017 (One Week)

About the Faculty Development PROGRAMME

The faculty development program (FDP) on faith development is being organised to inculcate the ethical values in the participants. The FDP will not only increase the person's spiritual maturity or spiritual capacity level but also impart the leadership, interpersonal skills and the required Life Style Management Techniques to the participants. The eminent speakers have the tried and tested methodology to help seekers hasten their spiritual progress. The program will have the sessions on Anger Management, Stress Management, Conflict Resolution and Relationship Management. The interactive group exercises during the FDP will not only accelerate learning, but will also be a lot of fun and help in building meaningful working relationships. The FDP will be leading to increased productivity, employee retention, interpersonal relationships and team bonding, role clarity and employee engagement and above all the "happy employees".

About INVERTIS UNIVERSITY

Invertis University is a leading University offering a wide range of courses pertaining to different fields of studies. Established in the year 1998, Invertis has grown immensely and today it stands as a full-fledged University with nine institutes under its umbrella. Invertis is a delightful destination for the students not only in terms of acquiring academic progress but also for holistic development and studying in a world class learning environment.

The teaching methodology adopted by Invertis is based on learning beyond academics which ensures all-round development of the students through warmth from the faculty, guidance from the management and direction for the life ahead through career shaping.

FDP TOPICS

DAY 1

18 July, 2017
Overcoming Anger

DAY 2

19 July, 2017
Why do bad things happen to good people?
(Concept of Laws of Karma)

DAY 3

"Recent Advances in Teaching Methods"
Resource Person
Prof. D. Bahuguna
IIT, Kanpur
Organised By,
Department of Applied Science & Humanities
Venue: Main Auditorium
Date: August/17/2017 Timings: 12:30-03:30 pm
Coordinator: Dr. Kamlesh Kumar Dubey

Objective: The key objective of this FDP is to enhance teaching and learning performance. Different innovative teaching methods are now in use across the globe. Hybrid teaching includes e - learning in addition to the face to face teaching. Use of technology and multimedia in mathematical science was described in details.

Participants: 27 Faculty members

for 
Dr. S. P. Sharma
HOD of ASH

REPORT

Prof. D. Bahuguna (IIT Kanpur) was the main speaker of the above FDP programme. This programme was organized by Dr. Kamlesh Kumar Dubey, Associate Professor, Invertis University. The application of innovative teaching and learning methods is critical if we are to motivate and engender a spirit of learning as well as enthusiasm on the part of students. The role of education is to ensure that while academic staffs do teach, what is taught should also be intelligible to students emanating from culturally and linguistically diverse backgrounds and that they rapidly become familiar with the expected standards. Prof. D Bahuguna (IIT Kanpur), during his talk focused on the Recent Advances in Teaching Methods. During the FDP Programmes Prof. Bahuguna have emphasized that the Innovative teaching and learning methodologies such as short lecture, simulation, role-playing, portfolio development and problem-based learning (PBL) are very useful in addressing the rapid technological advances. All the attendees were satisfied with the content delivered by Prof. Bahuguna.

Vice Chancellor Prof. Jagdish Prasad Rai, Pro-Vice Chancellor Prof. YDS Arya and Dean Applied Science & Engineering Prof. R.K. Shukla has

for

Department of Applied Sciences and Humanities

appreciated the content of the FDP and ask the organiser to organise such FDP's in future. The head of the department Dr. Kamlesh K Dubey mentioned that through this lecture faculties will learn a lot about the modern experimental techniques.

About the Programme

Employees are an integral and perhaps the most vital part of any organization. The growth and development of any institution rests primarily on the contribution of its employees. It is high time that the thousands and thousands of employers around the world must realize the pertinent need of providing a congenial and stress free working environment to their employees and take immediate action in minimizing the stress of their employees, otherwise, that time is not far off, when the organizations itself will start losing not only their established markets, but their loyal customers as well.

Employees play an extremely important role in the overall growth and development of the organization. Over the past few years, it has been observed through various market research reports and employee reports that a major percentage of the employees around the world are reeling under the pressures of organizational work ok that has created an extremely negative impact on their personalities. A two day's MDP chaired by Mr. Nirmal Kumar was organized on 24th&25th July 2017.

About Invertis University

Invertis University is situated in Bareilly on NH-24, equidistant from the country's capital Delhi and State's capital Lucknow. From a humble beginning in 1998, Invertis has come a long way. From 83 students and one Institute - Invertis Institute of Management Studies, today we stand tall as a full-fledged University with 8 different faculty structures under its name. We offer a range of Doctoral, Post-Graduate & Under-Graduate programmes in Management, Law, Commerce, Computer Applications, Pharmacy, Education, Journalism & Mass Communication, Bio-Science & Technology, Science, Fashion Design, Engineering & Technology and Architecture.

At Invertis, we believe that the success of a teacher comes along with the achievements of a student. To ensure that our students succeed, we make sure that they get the very best. Invertis pioneered the concept of holistic development, an approach of more than just text book studying and an all -round approach of learning. It stems from the old management concept of, "Keep your feet warm, back straight and head cool." Our faculty members foster knowledge and acknowledge students who do well not only in classes, but also in the outside world. The backbone of the university is its alumni alliance, which provides pathways for students even after their studies are completed.
