Date of Approval: 06 Oct. 2018

AN OVERVIEW

Invertis University is situated in Bareilly on NH-24, equidistant from the country's capital Delhi and State's capital Lucknow. From a humble beginning in 1998, Invertis has come a long way. From 83 students and one Institute - Invertis Institute of Management Studies, today we stand tall as a full-fledged University with 10 different faculty streams under its name. We offer a range of Doctoral, Post Graduate & Under Graduate programs in Management, Law, Commerce, Computer Applications, Pharmacy, Education, Journalism & Mass Communication, Bio-Science & Technology, Science, Fashion Design, Engineering & Technology and Agriculture.

At Invertis, we believe that the success of a teacher comes along with the achievements of a student. To ensure that our students succeed, we make sure that they get the very best, that's why our faculty comes from premier institutes like IIT's, IIM's & NIT's. Invertis pioneered the concept of holistic development, an approach of more than just text book studying to an all -round approach of learning. It stems from the old management concept of, "Keep your feet warm, back straight and head cool." Our faculty members foster knowledge and acknowledge students who do well not only in classes, but also in the outside world. The backbone of the university is it's alumni alliance, which provide pathways for students even after their studies are completed.

FROM CHANCELLOR'S DESK

Dear Friends,

Invertis University has become North India's leading university, known for its innovative teaching pedagogy, extensive research and service to the society.

Liberal and Exoteric education of our University gives way to in-depth study and research that makes a student a productive member of a civilized society. The high standard of knowledge gained here helps to develop disciplined life and provide better learning opportunities.

The University has an inviting ambience for academically committed and passionately creative people. Our students are exposed to professionals from the field, scientist from all over the world, jurists, business magnates and others. It is our endeavour to impart education, which is unrivalled to international standards. Lately, globalisation has reached the point of "Localization" wherein local resources are entwined to attain a global template. In other words, your local values, traditions, culture and language can be optimally used to paint a desired global landscape. Needless to say, we at the Invertis University pay equal attention towards your social, moral and professional development.

Invertis University is in collaboration with many International Universities. This provides an outstanding platform to explore your talent and improve the perspective. Our International Student Exchange Program provides an opportunity to you for studying abroad.

Dear students, let me emphasize that a focused and planned approach will guarantee positive and desired results. Therefore, get ready to take a right decision, plan your life and expand your wings to fly.

I welcome you all to the calm and student friendly campus of Invertis University.

Wish you a great success ahead.

Umesh Gautam

PRO CHANCELLOR MESSAGE

Since its inception, Invertis University is constantly progressing in the areas of Engineering, Management, Arts, Science and humanities. Widely known for achieving success, Invertis has proven worth in the field of education with remarkable placement of our students in reputed organizations in India and abroad.

University has been on the path of delivering quality education by developing the young human resources on the foundation of ethical and moral values, while enhancing their leadership qualities, research culture and innovative skills.

It has entered into collaboration with many prominent International Universities and stands tall amongst all in its field empowering young minds with a plethora of different streams of learning and educating. As we believe in holistic development of our students, we promote co-curricular activities along with academic programs. It is the time for you all to accept the challenges coming from the dynamic world and achieve the enormous success. With this hope I invite you to explore the myriad of opportunities at Invertis University and join our mission of achieving excellence.

Sanjeev Gautam
Pro Chancellor

VICE CHANCELLOR MESSAGE

Greetings from Invertis University!

Since its founding as a management college in 1998, Invertis has grown to become a quality, value-based university in northern part of the country.

Our Faculty is mostly from Institutes of national importance like IITs, NITs, and IIMs, Including myself, an alumunus of IIT Kanpur. We follow the latest methodology of teaching and learning, i.e., Outcome Based Education System, where by stress is more on learning of student through modern teaching pedagogy.

We have around 5,000 students. We have diversified levels of study starting from diploma to UG then PG and finally Doctorate. Our research programs range across, almost all disciplines of Engineering, Science, and Humanities. We have active student exchange program with foreign institutions. This facilitates our students to study abroad.

We have a lush green and well maintained Campus. Our lecture rooms are mostly air-conditioned and laboratories are well equipped with modern equipments. We also have on Campus Hostel facility for boys and girls. We have our own bus service for day scholars, not only from various parts of Bareilly city, but also from near by cities in the peripheral of 40-50 kms.

We have also earned a good name in discipline and etiquettes. We provide opportunities to students for their holistic development than only academic education. We have channelized extra curricular activities through out the year.

I welcome you at Invertis University.

Prof. YDS Arya
Vice Chancellor

DIRECTOR (ADMINISTRATION)

Shri. L.P. Mishra is an IPS (Retd. 1992 Batch) & been at IG Police Rank. He rendered his services to the nation with sheer modesty, discipline, & honesty. She has co-authored a book on Marketing Management which is being sold world wide in printed and ebook form. At Invertis University she holds the position of Additional Dean Student Welfare and Chairperson of Women grievance cell. She actively looks after the welfare of students and provides them conducive environment for their personal and professional growth. She also ensures the cordial relations among the students and university as a whole so that our students can gain maximum benefit from their university experience.

OUR WORK ETHICS

We believe in developing professionals brimming with knowledge, competence and equipped with expertise to take on the challenges of the ever-changing future and a global world. Our philosophy of KAIZEN remains a precursor to propel students to reinvent and improve at every step, to compete fearlessly while adhering to ethical and moral values. Invertis is dedicated to uphold the following objectives :

- To develop conceptual and analytical skills in all functional areas of Management, Information Technology, Engineering, Architecture, Biotechnology, Law, Pharmacy, Applied Sciences & Humanities, Fashion, Journalism and Mass Communication.
- To encourage our understanding of the fast-changing global business scenario.
- To develop an ability to understand and apply a multi-dimensional approach to achieve the overall mission of the organisation.
- To develop the ability of self-assessment and motivate others in achieving organisational objectives.
- To develop skills in problem identification and analysis.
- To impart ethical and moral values for social well-being.
- To prepare students for careers of leadership and innovation in all fields of studies.
- To expand the base of education through research and by developing technology to serve the needs of society.
- To benefit the public through service to industry, government and the engineering profession.
- To impart advanced technical knowledge for the upliftment of society in general and rural masses in particular.

B.Com. LLB Integrated is the most appropriate degree program for the students who aspire to become litigate lawyer, judge, legal managers, legal consultant, or legal advisors PO manager in their career. Institute of Law, Invertis University Bareilly offers the 5 year integrated B.Com. LL.B (Integrated) course with an intention of imparting the best legal education. Our aim is to encourage students to practice multi-disciplinary analysis of the socio-legal problems for better learning.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 or equivalent.

SELECTION CRITERIA: On the basis of CLAT/AILET/SCORECARD/IUCET.

FACULTY OF ENGINEERING & TECHNOLOGY (FET)

The Faculty of Engg. & Tech. is committed to deliver rigorous, practical & industry focused education & research that encourages disruptive technologies and cultivates exceptional engineering professionals. Our advanced, well equipped practical labs and computer centers along with the competitive curriculum ensure that you learn to innovate and work as competent technocrats for the welfare of the society.

As a result of our commitment to innovation we are on the threshold of preparing the projects with a view to focus on strengthening indigenous capability for research, design, development and production, that leads to innovation in various disciplines of science & engineering.

COURSES OFFERED

Ph.D.

M.Tech.

- Computer Science and Engineering (CSE)

B.Tech.

- Civil Engineering (CE)
- Cloud Technology & Information Security (CTIS)
- Computer Science & Engineering (CSE)
- Electrical Engineering (EE)
- Electronics & Communication Engineering (ECE)
- Mechanical Engineering (ME)

Ph.D.

DURATION:

- Full Time Program - 2 years (minimum)
- Part Time Program - 3 years (minimum)

ELIGIBILITY: A candidate seeking registration for the Degree of Doctor of Philosophy (Ph.D.) at Invertis University must hold Master's Degree in the relevant field with at least 55% (50% for SC/ST) marks.

SELECTION CRITERIA: Admission in Ph.D. programme would be through an entrance exam. UGC/CSIR (JRF) / SLET / GATE qualified candidates will be exempted from the entrance exam.

B.Tech. + MBA (Integrated)

B.Tech. + M.Tech (Integrated)

B.Tech. (Lateral Entry)

Polytechnic Diploma

- Civil Engineering (CE)
- Computer Science & Engineering (CSE)
- Electrical Engineering (EE)
- Electronics & Communication Engineering (ECE)
- Mechanical Engineering (ME)

(Automobile / Production)

Polytechnic Diploma (Lateral Entry)

M.Tech. (Computer Science & Engg.)

TWO-YEAR FULL-TIME POST GRADUATE DEGREE COURSE

The M.Tech. program is designed to mould the engineering graduates so as to enable them to pursue research later and to make them better engineers.

ELIGIBILITY:

M.Tech. (CSE): B.E. / B.Tech. (CS / IT / ECE / EE/EEE), MCA, M.Sc. (Maths, Physics, CS and IT) with 60% (55% for SC / ST) marks.

SELECTION CRITERIA: IUCET / GATE Score.

FACULTY OF ENGINEERING & TECHNOLOGY

B.Tech. (Civil Engineering)

FOUR YEAR FULL TIME DEGREE COURSE

The program aims to improve the civic life of society by harmonizing the natural resources available on earth. The major areas in the field of civil engineering are construction technology, geotechnical engineering, transportation engineering, municipal and sanitary services, environmental engineering surveying and mapping and hydraulics and water resources. While construction engineering deals with the design and supervision of construction of bridges, buildings, tunnels and dams; specialised geotechnical engineering is vital and relevant for any structure to stand stable. Transportation engineering deals with the planning, design and construction of roads, railways, airports, docks and harbors. Government opportunities in civil engineering are BHEL, NBCC, SAMEER, CIMFR, A&N Administration.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 with mathematics and physics along with chemistry/ computer science.

SELECTION CRITERIA: IUEEE/JEE (Mains) OR other central & state engineering entrance exam like UPSEE.

B.Tech. (Mechanical Engineering)

FOUR YEAR FULL TIME DEGREE COURSE

Mechanical Engineering is the evergreen branch. Traditionally, mechanical engineers deal with variety of fields such as Mechanics, Thermodynamics, Robotics, Materials, Productions, Structural Analysis, and Fluid Mechanics with their applications in Automotive Sector, Power Sector, Refrigeration, Air Conditioning Sector and Aerospace, etc. Further, Mechanical Engineering is expanding beyond its traditional boundaries and is becoming inter-disciplinary in nature. Mechanical engineers are focusing their attention towards new areas such as Nanotechnology, development of Composite materials, Biomedical applications, Energy conservation and environmental conservation. Mechanical Engineering graduates are sought by employers in almost all sectors of the engineering industry. These include but not limited to Aerospace, Automotive, Chemical, Construction, Defence, Electronics, Marine, Pharmaceuticals, Rail and Utilities industry.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 with mathematics and physics along with chemistry/ computer science.

SELECTION CRITERIA: IUEEE/JEE (Mains) OR other central & state engineering entrance exams like UPSEE.

B.Tech. (Computer Sc. and Engineering)

FOUR YEAR FULL TIME DEGREE COURSE

The curriculum of Computer Science and Engineering has been designed keeping in view its relevance in the IT industry. Computer Science is one of the most sought after courses by students, influenced by the software and IT boom of the past two decades. The core areas of computer science include Cloud Computing Algorithms, Computer Architecture, Software Engineering, Graphics, Networks, Mobile Computing, Databases, Operating System, Computer Security and Artificial Intelligence. Right from social media to the genomics revolution, computer science has played a central role in many of the greatest technological innovations and developments of the 21st century. Apart from basic Computer Science Engineering, we offer specializations in the field of : Cloud Computing & Information Security.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 with mathematics and physics along with chemistry/ computer science.

SELECTION CRITERIA: IUEEE/JEE (Mains) OR other central & state engineering entrance exam like UPSEE.

B.Tech. (Electrical Engineering)

FOUR-YEAR FULL-TIME DEGREE PROGRAMME

Electrical engineering has been playing a vital role in producing technologists of highest calibre. The major thrust of the programme caters to the ever-growing needs of technical excellence in all areas of electrical engineering such as control and automation, power electronics, power systems, electrical drives and integrated electronics and circuits.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 with mathematics and physics along with chemistry/ computer science.

SELECTION CRITERIA: IUEEE/JEE (Mains) OR other central & state engineering entrance exam like UPSEE.

B.Tech. (Electronics and Communication Engineering)

FOUR YEAR FULL TIME DEGREE COURSE

Maxwell's discovery and Marconi's and J.C. Bose's experiments showing the possibility of electromagnetic wave propagation in space led to the foundation of electronic communication.

The advances in electronics are making rapid changes in emerging technologies such as IT, transportation, telephones, aviation, agriculture, remote sensing, robotics & image processing.

The Department shall provide not only first hand knowledge in microprocessors, digital communication, digital hardware design and satellite communication but simultaneously also arrange educational tours, industrial training and guest lectures on emerging technologies to keep students updated of the latest advancement in the field.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 with mathematics and physics along with chemistry/ computer science.

SELECTION CRITERIA: IUEEE/JEE (Mains) OR other central & state engineering entrance exam like UPSEE.

B.Tech.+MBA (Integrated)

FIVE YEAR FULL TIME DEGREE COURSE

B.Tech. and MBA (integrated) is a five year full time program which integrates study of technical and managerial skills designed to produce efficient technocrats by offering MBA in Operation Management followed by complete engineering curriculum.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 with mathematics and physics along with chemistry/ computer science.

SELECTION CRITERIA: IUCET/JEE (Mains) OR other central and state engineering entrance exam like UPSEE.

B.Tech. + M.Tech. (Integrated)

FIVE YEAR FULL TIME DEGREE COURSE

B.Tech. + M.Tech. (Integrated) is a five year full time program that opens new doors for students by offering them advanced studies in their specialisation areas while saving them one year. It is a much preferred course with better job opportunities that encompasses all the key skills of both B.Tech. and M.Tech.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 with mathematics and physics along with chemistry/ computer science.

SELECTION CRITERIA: IUCET/JEE (Mains) OR other central and state engineering entrance exam like UPSEE.

B.Tech. (Lateral Entry-All Traits)

The program saves one year who wish to go for a B.Tech. degree after completing Polytechnic Diploma.

ELIGIBILITY: 60% (55% for SC/ST) marks in Polytechnic Diploma/B.Sc.(PCM).

SELECTION CRITERIA: On the basis of merit/IUCET.

Polytechnic Diploma

Diploma in Civil Engineering

THREE YEAR FULL TIME DIPLOMA COURSE

Civil Engineering is all about the infrastructural development and design techniques. The root of civilization is based on the Civil Engineering. Now a days as we know India is developing and is taking many infrastructural development works in the urban as well as rural areas, a diploma holder in civil engineering as junior engineer has ample job opportunities in the infrastructure development projects in public and private sectors.

ELIGIBILITY: 50% in the 10th standard (45% for SC/ST) with Maths & Science.

SELECTION CRITERIA: On the basis of merit/IUCET.

Diploma in Computer Science & Engineering

THREE YEAR FULL TIME DIPLOMA COURSE

Diploma in Computer Science and Engineering enables students to get a job in Computer hardware, Networking and IT sector. They undergo training in Computer operations, Computer hardware maintenance, Networking and database. They are also trained in programming languages, Like, C, C++, JAVA, and internet technologies like HTML, XML and Cloud Computing.

ELIGIBILITY: 50% in 10th standard (45% for SC/ST) with Maths & Science.

SELECTION CRITERIA: On the basis of merit/IUCET.

Diploma in Electrical Engineering

THREE YEAR FULL TIME DIPLOMA COURSE

The diploma provides the technical skills to the students providing them job opportunities in various fields of electrical engineering such as supervision and maintenance of electrical instruments, to work as Junior Engineers in various government departments, etc. As restructuring of the power industry is on the cards so the diploma in electrical engineering will also provide a lot of jobs in private sector too.

ELIGIBILITY: 50% in the 10th standard (45% for SC/ST) with Maths & Science.

SELECTION CRITERIA: On the basis of merit/IUCET.

Diploma in Electronics & Communication

THREE YEAR FULL TIME DIPLOMA COURSE

This course will enable a student to understand working and maintenance of equipments such as semi conductor devices, electronic devices, electronic circuits and microprocessors etc.

The emergence of number of mobile companies and vast use of electronics in modern devices gives students ample opportunities of job across all companies which include metro infrastructure, railways and mobile companies.

ELIGIBILITY: 50% in the 10th standard (45% for SC/ST) with Maths & Science.

SELECTION CRITERIA: On the basis of merit/IUCET.

Diploma In Mechanical Engineering

THREE YEAR FULL TIME DIPLOMA COURSE

University offers two specializations in Diploma (Mechanical Engineering):

Automobile Engineering

Production Engineering

Automobile Engineering

The Automobile Engineering is a specialized branch of Mechanical Engineering, covering the areas of automotive engines, transmission, suspension, braking systems, electrical and electronics, comfort and safety, automotive workshop technology and management.

The Diploma holders in Automobile Engineering may join automobile technician, automobile diagnostic technician, service advisor, parts interpreter, entry level jobs, maintenance type job. Presently the placement of diploma students of this stream is 100 %.

ELIGIBILITY: 50% in the 10th standard (45% for SC/ST) with Maths & Science.

SELECTION CRITERIA: On the basis of merit /IUCET.

Production Engineering

The curriculum is designed for the students seeking to improve their personal competence portfolio in Production and Management Engineering. The course focused on all aspects of Production & Manufacturing engineering which make students competent in all the theoretical & practical requisite for the Production firms.

Diploma holders can join organizations as Assistant Engineer, Technician, Mechanist, Machine Programmer, Production Controller. Presently the placement of diploma students of this stream is 100 %.

ELIGIBILITY: 50% in 10th standard (45% for SC/ST) with Maths & Science.

SELECTION CRITERIA: On the basis of merit /IUCET.

Polytechnic Diploma

(Lateral Entry - All Branches)

The program saves one year who wish to go for a Polytechnic Diploma after completing intermediate 10+2 studies.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 standard.

SELECTION CRITERIA: On the basis of merit/IUCET.

FACULTY OF PHARMACEUTICAL SCIENCES

Faculty of Pharmaceutical Sciences aims to provide solid foundation to the budding pharmacists that develop the ability to design a system, component or process to meet desired needs within realistic constraints such as economical, environmental, sustainable, social, ethical, health, safety and manufacturing ability of medicines. World class laboratories provide comprehensive experimental knowledge to formulate and analyze life saving drugs and medicines. We also provide multidisciplinary knowledge through projects and industrial training, providing a sustainable competitive edge in research and development to meet industry needs.

Exclusive Hospital training at undergraduate level specialize them for clinical demands and challenges.

COURSES OFFERED

Ph.D. | B. Pharm. | D. Pharm.

Ph.D.

DURATION:

- Full Time Program - 2 years (minimum)
- Part Time Program - 3 years (minimum)

ELIGIBILITY: A candidate seeking registration for the Degree of Doctor of Philosophy (Ph.D.) at Invertis University must hold Master's Degree in the relevant field with at least 55% (50% for SC/ST) marks.

SELECTION CRITERIA: Admission in Ph.D. program would be through entrance exam conducted by Invertis University / GPAT qualified followed by personal Interview.

B. Pharm.

FOUR YEAR FULL TIME DEGREE COURSE

Pharmacy is the art and science of preparing and dispensing drugs and medicines. B.Pharm. is the most preferred course due to its ever increasing demand in pharmaceutical companies, health care and biomedical sciences. Pharmaceutical sector is the top class sector in India when compared with IT. India is among the top countries in terms of global pharma contribution and revenue.

The students after completing the course will be in a position to join any pharmaceutical company, can start his/her own manufacturing company of medicines or can start his/her own medical store. It prepares the students both for employment as well as self-employment.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 with physics, chemistry and mathematics / biology / biotechnology.

SELECTION CRITERIA: On the basis of merit/IUCET.

Faculty of Pharmaceutical Sciences

D. Pharm.

TWO YEAR FULL TIME DIPLOMA COURSE

Pharmacy is the art and science of preparing and dispensing drugs and medicines. D.Pharm is the most favourite course due to its ever increasing demand in Govt. jobs and health care. Pharmaceutical sector is the top class sector in India when compared with IT. India is among the top countries in terms of global pharma contribution and revenue.

The students after completing the course will be in a position to join any pharmaceutical company, can start his/her own medical stores or become Pharmacist in hospitals. It prepares the students both for employment as well as self-employment.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 with physics, chemistry and mathematics / biology / biotechnology.

SELECTION CRITERIA: On the basis of merit/IUCET.

FACULTY OF JOURNALISM & MASS COMMUNICATION

JOURNALISM & MASS COMMUNICATION

With the role of media in society, the scope of careers in media has tremendously grown over the past decade. So, where the word "society" is getting new definitions and dimensions with the power, we at Faculty of Journalism and Mass Communication train media professionals not only with skills but also with ethical values. The training system is well supported by proper lab structure, practical exposures and competitive course curriculum.

COURSES OFFERED

Ph.D. (Journalism) | BJMC

Ph.D.

DURATION:

- Full Time Program - 2 years (minimum)
- Part Time Program - 3 years (minimum)

ELIGIBILITY: A candidate seeking registration for the Degree of Doctor of Philosophy (Ph.D.) at Invertis University must hold Master's Degree in the relevant field with at least 55% (50% for SC/ST) marks.

SELECTION CRITERIA: Admission in Ph.D. program would be through entrance exam. UGC NET (JRF) / SLET / GATE qualified candidates will be exempted from entrance exam.

BACHELOR OF JOURNALISM & MASS COMMUNICATION (BJMC)

THREE YEAR FULL TIME DEGREE COURSE

Mass Communication is the need of the hour. The world has seen the impact of media, both print as well as electronic. Messages are very electively passed on through entertainment and other programmes. The demand for professionals like reporters, journalists, editors, analysts, field workers, investigators, advertising professionals etc. is increasing day by day.

ELIGIBILITY: 50% marks (45% for SC/ST) in 10+2 or equivalent.

SELECTION CRITERIA: On the basis of merit/IUCET.

FACULTY OF EDUCATION

COURSES OFFERED

Bachelor of Arts & B.Ed (Integrated B.A. B.Ed.)

Bachelor of Science & B.Ed (Integrated B.Sc. B.Ed.)

B. El. Ed. (Bachelors in Elementary Education)

B.A. B.Ed. (Integrated)

FOUR YEAR FULL TIME INTEGRATED COURSE

The four year integrated program aims at integrating general studies comprising social science & humanities and professional studies comprising foundations of education, pedagogy of school subjects, and practicum related to the tasks and functions of a school teacher. The program aims at preparing teachers for Upper primary and Secondary stages of education.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 in any stream.

SELECTION CRITERIA: On the basis of merit/IUCET or other Central or State level entrance exam.

B.Sc. B.Ed. (ZBC/PCM)

FOUR YEAR FULL TIME INTEGRATED COURSE

The program aims at integrating general studies of science and professional studies related to school subjects. It maintains a balance between theory and practice, and coherence and integration among the components of the program, representing a wide knowledge base for upper primary and secondary school teacher.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 with PCB/PCM.

SELECTION CRITERIA: On the basis of merit/IUCET or other Central or State level entrance exam.

B.El.Ed. (Integrated)

FOUR YEAR FULL TIME INTEGRATED COURSE

It is an integrated study of subject knowledge, human development, pedagogic theory and communication skills. This program prepares students for a wide range of professional and academic options in elementary education. The B. El. Ed. program has become a benchmark for teacher training programmes. Moreover it has also improved the professional status of teachers working in elementary schools.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 in any stream.

SELECTION CRITERIA: On the basis of merit/IUCET or other Central or State level entrance exam.

FACULTY OF SCIENCE

The natural world is full of things we don't understand—that are what makes it so interesting! Science is a study that engages in a "dialogue with Nature" to understand the principles and laws working in the natural world. We at Faculty of Science strive to unravel the mysteries of nature, starting by asking simple questions such as "Why?" and "How?" **When you solve even just one of these mysteries, your excitement and emotions will reach new heights!**

The laboratories are well equipped with state of art infrastructure and modern scientific equipments to give an experimental exposure of the concepts discussed in theory classes. Availability of online virtual labs makes the concepts more interesting and easy to understand. The Faculty of Science aspires to be a premier academic unit, recognized for the significance, novelty, and impact of its research, and for the quality, relevance, and currency of its academic programs. We value excellence in research and scholarly pursuits, high-quality teaching, enthusiasm for discovery, cooperation and collaboration.

COURSES OFFERED

Ph.D.

(Physics | Chemistry | Mathematics)

M.Sc. Physics

M.Sc. Chemistry

M.Sc. Mathematics

B.Sc. (Hons.) Physics

B.Sc. (Hons.) Chemistry

B.Sc. (Hons.) Mathematics

B.Sc. (Physics, Chemistry & Mathematics)

B.Sc. Fashion Design

Ph.D. (Physics/Chemistry/Mathematics)

DURATION:

- Full Time Program - 2 years (minimum)
- Part Time Program - 3 years (minimum)

ELIGIBILITY: A candidate seeking registration for the Degree of Doctor of Philosophy (Ph.D.) must hold master's degree in the relevant field with at least 55% (50% for SC/ST) marks.

SELECTION CRITERIA: Admission in Ph.D. program would be through entrance examination and personal interview conducted twice a year.

Note: All those candidates having valid UGC/CSIR (JRF/NET)/SLET/GATE score card will be exempted from the entrance examination but they have to appear for the personal interview.

M.Sc. (Physics)

TWO YEARS FULL TIME POST GRADUATE DEGREE COURSE

The M.Sc. program in Physics has been designed with the objective to provide students with a sound knowledge of the underlying principles which form a thorough basis for careers in physics and related fields. It will allow an in-depth experience of a particular specialized research area, through project work, as a member of a research team. This course will enable students to develop insights into the techniques used in current research areas of Material Science, Solid State Physics, Nuclear Physics, Electronics & Quantum Mechanics. It will develop the professional skills necessary for students to play a meaningful role in industrial or academic life and satisfy the need, both nationally and internationally, for well qualified postgraduates who will be able to respond to the challenges that arise from future developments.

ELIGIBILITY: Minimum 50% (45% for SC/ST) marks in B.Sc. with Physics as a major subject.

SELECTION CRITERIA: On the basis of merit/ IUCET.

M.Sc. (Chemistry)

TWO YEARS FULL TIME POST GRADUATE DEGREE COURSE

Students graduating with post graduation degree in Chemistry enter a wide range of careers in public or private sectors. Graduates include research chemists, scientific managers in the chemical, pharmaceutical and fertilizer industries. This course will enable students to develop insights into the techniques used in current research areas of Organic Chemistry, Inorganic Chemistry, Physical Chemistry and Analytical Chemistry. M.Sc. Chemistry students may join chemical industries & petroleum companies such as Bharat Petroleum, Indian Oil Corporation and Oil and Natural Gas Corporation etc. which regularly conduct exams for official posts.

ELIGIBILITY: 50% (45% for SC/ST) marks in B.Sc. with Chemistry as a major subject.

SELECTION CRITERIA: On the basis of merit/ IUCET.

M.Sc. (Mathematics)

TWO YEARS FULL TIME POST GRADUATE DEGREE COURSE

M.Sc. Mathematics opens the door to many interesting and upcoming career opportunities like researchers, statisticians, financial analysts amongst many others. At Invertis we recognize the growing demand of the stream and hence have developed the culture to facilitate a smooth transition of students into a professional.

ELIGIBILITY: Minimum 50% (45% for SC/ST) marks in B.Sc. with Mathematics as a major subject.

SELECTION CRITERIA: On the basis of merit/ IUCET.

B.Sc. (Honors) Physics

THREE YEARS FULL TIME DEGREE COURSE

Our B.Sc. Honors (Physics) program is a versatile degree that provides students with the optimal balance between a defined sequence of study and flexible career options. Our unique program will give you a deep understanding of the role of physics in newly developing areas in the field of Nanotechnology, Superconductivity etc. An understanding of basic physical principles is one of the keys to advancing knowledge.

ELIGIBILITY: Minimum 50% (45% for SC/ST) marks in 10+2 with PCM.

SELECTION CRITERIA: On the basis of merit / IUCET.

B.Sc. (Honors) Chemistry

THREE YEARS FULL TIME DEGREE COURSE

This course has duration of 3 years and provides an undergraduate degree that makes the student an expert in using chemicals to produce various by-products. B.Sc. Chemistry studies not only includes chemicals but also the substances it creates along with their various forms. Such kinds of substances are well studied under this degree. It also offers the information about the organization of the materials along with the condition in which they occur. B.Sc. Chemistry facilitates the students in learning to solve the problems analytically and logically.

ELIGIBILITY: Minimum 50% (45% for SC/ST) marks in 10+2 with PCM.

SELECTION CRITERIA: On the basis of merit/ IUCET.

B.Sc. (Honors) Mathematics

THREE YEARS FULL TIME DEGREE COURSE

Mathematics is derived from Greek word mathema, which means "Knowledge, study, and learning". Mathematics is used throughout the world as an essential tool in many fields, including natural sciences, engineering, medicine and social sciences. Benjamin Peirce called mathematics "The science that draws necessary conclusions". There are very few institutions providing B.Sc. (Honors) in Maths and Invertis University is one of them. With highly qualified faculty and a finely balanced curriculum, Invertis University ensures your industry readiness.

ELIGIBILITY: Minimum 50% (45% for SC/ST) marks in 10+2 with PCM.

SELECTION CRITERIA: On the basis of merit/ IUCET.

B.Sc. (Physics, Chemistry & Maths)

THREE YEARS FULL TIME DEGREE COURSE

Opting B.Sc. (PCM) as a career option opens a wide spectrum of opportunities in the field of Science, and lets student opt for specialization into any of the desirable fields of science.

The curriculum of our B.Sc. (PCM) program is based on the study of Physics, Chemistry & Mathematics as core subjects.

ELIGIBILITY: Minimum 50% (45% for SC/ST) marks in 10+2 with PCM.

SELECTION CRITERIA: On the basis of merit/ IUCET.

B.Sc. (Fashion Design)

THREE YEARS FULL TIME DEGREE COURSE

Fashion designing is a prominent career option for the young face of today. The aspiring designer entering into the professional world needs to get hold on the basics of the art of styling and the awareness of the past and present trends. The Fashion Design specialization hones creativity while also teaching key technical skills needed to succeed in this competitive industry. Fashion Designers are the trendsetters in the modern world. A logical, sequential, hands-on experience enables students to conceptualize designs, make patterns, drape and construct garments of impeccable quality. While looking for Fashion Design courses you can depend on Invertis which offers B.Sc. in Fashion Designing providing forward looking curriculum, combining creative designing and technical professional exposure to the garment industry. The program prepares students to pursue careers as Designers, Freelance Design Consultants, Stylists, Forecasting and Fashion Trends Forum Organizers, Costume Designers, Illustrators and Entrepreneurs.

ELIGIBILITY: Minimum 50% (45% for SC/ST) marks in 10+2 in any stream.

SELECTION CRITERIA: On the basis of merit/ IUCET.

FACULTY OF BIO-SCIENCE & BIOTECHNOLOGY

The Faculty of Biosciences and Biotechnology focuses on applying advanced technologies in combination with experimental and computational methods in the areas of biosciences, physical sciences, genome biology, computational biology, molecular toxicology, host-pathogen biology, structural biology, biological detection, genetics, nanotechnology and microbial systems etc, to solve the important national problems in public health, biosecurity and energy security. The laboratories of the Institute are well equipped with state of the art infrastructure and modern equipments namely HPLC, Fluorescent Microscope, PCR, ELISA, Laminar Air Flow and many more to conduct the experiments which play a vital and critical role in technical education. Laboratory exposure and frequent industrial visits contributes in the personality development of the student for the best academic as well as industrial career.

COURSES OFFERED

Ph.D.
(Biotechnology | Environmental Sciences)

M.Sc. Biotechnology

M.Sc. Microbiology

B.Tech. Biotechnology

B.Sc. (Hons.) Biotechnology

B.Sc. (Zoology, Botany & Chemistry)

Ph.D
(Biotechnology | Environmental Sciences)

DURATION:

- **FULL TIME PROGRAM - 2 YEARS (MINIMUM)**
- **PART TIME PROGRAM - 3 YEARS (MINIMUM)**

ELIGIBILITY: A candidate seeking registration for the Degree of Doctor of Philosophy (Ph.D.) must hold master's degree in the relevant field with at least 55% (50% for SC/ST) marks.

SELECTION CRITERIA: Admission in Ph.D. program would be through entrance examination and personal interview conducted twice a year.

NOTE: All those candidates having valid UGC/CSIR (JRF/NET)/SLET/GATE score card will be exempted from the entrance examination but they have to appear for the personal interview.

M.Sc. (Biotechnology)

TWO YEARS FULL TIME POST GRADUATE DEGREE COURSE

Biotechnology is multi disciplinary area for education and research which produces the skilled man power as per the increasing demand of industry and research; in India and abroad. Biotechnology has now expanded in diverse areas which include genomics, proteomics, metabolomics, genetic engineering, immunology and infectious biology and their utilization in different industries of food, medicine, agriculture and research. Candidates having biotechnology degree have plenty of opportunities in a range of research and development (R&D) labs, pharmaceutical industries (production and quality control), clinical research, etc.

ELIGIBILITY: Minimum 50% (45% for SC/ST) marks in B.Sc. / B.Tech. (Life Sciences and Medical Graduates).

SELECTION CRITERIA: On the basis of merit/ IUCET.

M.Sc. (Microbiology)

TWO YEARS FULL TIME POST GRADUATE DEGREE COURSE

Microbiology is a branch of biology that is focused on bacteriology, mycology and virology among other fields. Being a postgraduate microbiology course, the objective of this course is to produce intellectual and proficient microbiologists. It is done by this course through enhancing the abilities and skills of students for application of microbiology theories and expertise in the live problems faced by industry. This course offers specializations to the students in the areas such as microbial, water microbiology, soil microbiology, generation microbiology, nano microbiology, agricultural microbiology, industrial microbiology, evolutionary microbiology, microbial genetics, veterinary microbiology and microbial.

Post completion of the course, the students have various Career Options in both private and public sectors such as food industries, pharmaceutical industries, hospitals, chemical industries and research and development organizations.

ELIGIBILITY: 50% marks (45% in the case of SC/ ST category) in aggregate in Bachelor's degree with any of the subjects of Microbiology, Bio-technology, Zoology, Botany, Food Technology, Bio-Chemistry, Medical or Pharmacy from any recognized University.

SELECTION CRITERIA: On the basis of merit/ IUCET.

B.Tech. (Biotechnology)

FOUR YEAR FULL TIME DEGREE COURSE

This program has been designed to provide students with both theoretical knowledge and practical skills in Biochemical Engineering, Molecular Biology, Enzymology, Proteomics, Nanotechnology and Bio Informatics to keep pace with the latest advancements in Biotechnology with specific reference to industrial biotechnology.

ELIGIBILITY: 50% (45% for SC/ST) marks in 10+2 with physics and chemistry along with biotechnology / biology / computer science / Mathematics.

SELECTION CRITERIA: IUEEE / JEE (Mains) OR other central & state engineering entrance exam like UPSEE.

B.Sc. (Honors) Biotechnology

THREE YEARS FULL TIME DEGREE COURSE

This program provides a fundamental platform for the students to explore the limitless world of biotechnology.

Opting Biotechnology as the career option brings along a plethora of career opportunities not only in India but also outside the country.

ELIGIBILITY: Minimum 50% (45% for SC/ST) marks in 10+2 with PCM/PCB.

SELECTION CRITERIA: On the basis of merit/ IUCET.

FACULTY OF BIO-SCIENCE & BIOTECHNOLOGY

FACULTY OF AGRICULTURE

Faculty of Agriculture covers educational and scientific/research activities with agenda like to promote science based agricultural education and research. Our labs are well equipped to meet challenges in agriculture & allied sectors. Incorporate Information Technology (IT) in Teaching, Research and Extension activities for enhanced efficiency. Assist State Government for policy analysis and prescriptions. Educate agriculturally dependent population through open and distant learning program. Develop linkages for commercial application of agricultural research output. We have world class E-Classroom and Smart Classroom, networking of departments and units, strengthening of RAWE and ELP, strengthening of co-curricular and extra-curricular activities, Integrated farming system model, farmer-oriented IT-enabled Services (ITeS) like web-portal in local language, LCMS and Guided SMS.

COURSES OFFERED

- **Ph.D. AGRICULTURE**
- **M.Sc. FOOD TECHNOLOGY**
- **B.Sc. (HONORS) AGRICULTURE**

Ph.D. Agriculture

FULL TIME PROGRAM: 2 YEARS (MINIMUM)

Ph.D. in Agriculture aims to build in student's competent business acumen through advanced study of general subjects such as plants, animals and farming, later allowing them to specialize in a chosen area. The curriculum involves intensive study, culminating with the completion of a research-based program.

ELIGIBILITY: Candidates who wish to apply for the course should have completed the M.Sc. Agriculture/M.Tech. or ME in with relevant specialization in the field of Agriculture from a recognized university. The minimum aggregate percentage required in the qualifying examination 55% marks.

SELECTION CRITERIA: Admission in PhD program would be through entrance examination and personal interview conducted twice a year. NET/SLET/GATE qualified will be exempted from written exam.

M.Sc. (Food Technology)

FULL TIME PROGRAM: 2 YEARS (4 SEMESTERS)

M.Sc. Food Technology is a postgraduate course, it involved the processing, protection, preparation, selection, distribution, and utilization of sheltered, nutritious, and healthy nourishment. The discipline is about: reducing the gap between gathered sustenance and available food by changing the method of completed item, i.e., processing, packaging and storage conditions, healthy food, diets, calories, nutrition status, planning and management of the production process from raw materials to finished product taking food safety and quality into account.

ELIGIBILITY: Candidates should have graduation (B.Sc.) from a recognized university and with a minimum aggregate score of 50% marks. Graduation needs to have been completed in Chemistry/ Biochemistry/ Botany/ Zoology/ Microbiology/ Biotechnology/ Home Science/ Agriculture/ Food Science and Nutrition/ Food Technology.

SELECTION CRITERIA: On the basis of merits/ IUCET.

B.Sc. (Honors) Agriculture

FULL TIME PROGRAM: 4 YEARS (8 SEMESTERS)

B.Sc. (Hons.) SPECTRUM OF FACILITIES

Class apart just wasn't good enough for us, so we did world class. That's why we have a world class infrastructure and state of the art facilities. Let's have a look:

COMPUTER CENTRE

Invertis University visualizes centralized computing facility, campus wide networking and information technology as a means to enrich the educational experience and invigorate emerging areas of scholarly research and education.

The campus wide networking consisting of Computer Labs, Girls' Hostel, Boys' Hostel and faculty residence with fiber optics as a backbone with managed Layer 3 Switches are installed.

- Invertis University has more than 750 computer systems with latest hardware and software.
- The server room has more than 10 high end servers (i.e. DELL PowerEdge, IBM X Series, HP Proliant) on which accounts are given to students, staff and faculty of the Departments in the campus.
- Each lab is equipped with 60 computers with latest hardware and online UPS power backup.
- Dedicated powerful server for our in-house ERP.
- BSE Institute Limited test Center.
- Wi-Fi Campus.
- Reliance Jio 4G Wi-Fi Campus.
- Ultra-Modern Game Lab for students.
- Dedicated Language Labs for enhancing the communication skills of students.
- 24 hours Internet facility for hostellers.
- Two dedicated leased line connectivity 1 Gbps from BSNL(NKN Link)and 45 Mbps from Airtel for Internet facility.
- Windows 2012 Active Directory Domain Controller with LDAP and RAID implementation.
- Dell SonicWALL NSA 5600 Gateway Hardware Firewall.
- Member of Microsoft Cloud Campus for education.

AUDITORIUM

The world-class auditorium in the campus is one of the best in North India and has seen and heard scores of eminent speakers, performers and singers, who acknowledge its grandeur. The two-tiered auditorium with a 1500+ seating capacity and a world-class media system gives its students an opportunity to get a feel of the big stage. This contributes to our aim of all-round development for our students through co-curricular activities. Abhiruchi club sessions, annual fests and the various national seminars and conferences are held here.

SEMINAR HALLS

Our 2 Seminar Halls are well equipped to seat around 300 students. We regularly organize national and international seminars to enrich and enhance interaction of students with academicians and industry experts.

LIBRARY

Invertis has well stocked 2 libraries extensively covering all areas extensively. We stock the bestsellers, autobiographies, biographies, collected volumes, books on topical interest and so on. We have national and international journals, magazines and also facilities to browse hundreds of journals through internet subscriptions. We have a membership of DelNet, INDEST & EBSCO.

CONFERENCE ROOMS

Four extremely well-furnished & well-maintained conference rooms seat 15 to 30 people. The halls are available for professional meetings, interviews, trainings, faculty development programs, official meetings of HODs and dignitaries.

SPORTS

Invertis University has plethora of sports facility to encourage its students not only to excel in the field of education but also explore the exciting world of sports.

For this we have competitive sports structures like:

1. FOOTBALL: Invertis University has a National Sports standard football field along with highly experienced football coach.

2. BASKETBALL: At Invertis we believe to be the best and deliver the best and thus we set examples with our spectrum of facilities. Similarly we have International standard Basketball court.

3. CRICKET: The heart of all Indians lies in Cricket field and for this we have competitive cricket ground and to groom our students to be the future stars we have equally competitive coach.

Along with this we have several other sports facilities like Badminton Courts, Table Tennis, Volleyball and many more.

CAFETERIA

The University have two canteens located within the campus. Students have the choice to either sit in the air conditioned area or enjoy the scenic beauty by sitting outside. The kitchen is modern and with state-of-the-art cooking range. Every effort is made to see that food items remain untouched till the students pick it up for eating. The cafeteria becomes a piece of attraction where students can relax and have snacks.

WI-FI CAMPUS

Our fully Wi-Fi campus with 24x7 internet connectivity with a speed of 20 mbps is always connected to the world so that our students can keep up with the changing trends and latest technology easily.

HOSTELS

The Girls' Hostels KAVERI, GODAVARI & BHAGIRATI and Boys' Hostels HIMALAYA, SHIVALIK, HIMGIRI & NILGIRI are located in picturesque surroundings. All hostel residents have their meals in "ANNAPURNA", An air conditioned common mess that has two floors, one for boys and one for girls. All hostels are provided with the best facilities such as geysers in bathrooms, European and Indian W.C.s, telephone facility and water coolers. Rooms are equipped with beds and mattresses, study tables and chairs. Each room has its own balcony. There are single as well as double-seated rooms. All hostels have guest rooms, where parents and guardians can come and meet their wards. There is a separate room where any sick student may be shifted to for isolation and better care. All hostels have common rooms with television sets. Separate badminton, basket ball and volley ball Courts, table tennis, gym facility and indoor games like carom and card board games are also provided. We also have the facility of A.C. Rooms in the hostel.

24x7 ATM FACILITY

PNB ATM is situated at the gate of the university to cater for the cash needs of the students. This ensures that students need not to carry too much cash with them as they can just withdraw it whenever the need arises.

TRANSPORT FACILITY

A fleet of 41 luxury buses ply between the city of Bareilly and the University for the Convenience of students residing at any destination of the city. The stream of buses run at regular intervals for the staff, faculty and the day scholars of the university. There are about 38 routes which covers the length & breadth of the city and the outskirts, picking the day scholars in the morning and dropping them back in the evening. The bus services are also made available for the parents and prospective students who wish to visit the university on request.

The routes cover the following destinations:

• Bareilly • Badaun • Rampur • Milak • Meerganj • Fatehganj (East) • Pilibhit • Nawabganj • Rithora • Shajhanpur • Tilhar • Katra • Fatehganj (West) • Faridpur • Aliganj • Aonla • Bisalpur • Baheri

HEALTHCARE

GYMNASIUM

At Invertis University we believe in the philosophy of "The foundation of happiness is HEALTH" and for this we insist our students to visit our highly equipped gymnasium everyday under the guidance of highly qualified and experienced gym instructor. We have separate gyms for girls & boys. These world class gymnasiums consist of all the International standard gym equipments.

YOGA & MEDITATION CENTER

Meditation and yoga play a very important role in brain training. It helps in channelizing energies, improving concentration and in reaching the high levels of consciousness. A trainer is appointed who helps and guides students for healthy living.

MEDICAL CARE

A center where students can consult with doctors on any health related issues. The centre is also equipped with first-aid care & ambulance facility to take the critical patients to the famous Clara Swain Mission Hospital. Invertis has taken in its fold 146 years old Clara Swain Mission Hospital, which provides free of cost treatment to all the students, as covered under the medical insurance policy.

Medical Emergency No.: 7500712345

MEDICAL INSURANCE FACILITY

All the students of university are covered under Student's Education and Health Protection Policy, for any urgent medical treatment at Clara Swain Mission Hospital (J.V.), Bareilly and continuation of students education on account of any untoward happening due to accident with their earning parents.

STUDENTS WELFARE DIVISION

EDUCATION LOAN FACILITY

Invertis University aims to support deserving/meritorious students in availing financial assistance for pursuing their higher education. In order to encourage students to take up higher education despite their financial shortcomings, nowadays, most banks are providing attractive loan facility to students. Students can avail loan from any bank. However, for the benefit of its students, University has tie-ups with the banks like HDFC, PNB, BOB, SBI.

Vidya Lakshmi Portal provides single window for Students to access information about various loan schemes provided by banks and make applications for Educational Loans. Under this scheme students can apply online for education loan by visiting the portal, through Common Educational Loan Application Form to multiple banks in multiple schemes.

We help our students in speedy disposal of their loan applications across the country. For the convenience of students, the university has set up a separate Education Loan Assistance Cell, to cater all the needs like loan letter, loan application form and for any other feasible assistance required from the university.

GOVERNMENT SCHOLARSHIP

Eligible students are also provided guidance and assistance for financial aid from various foundations and government schemes like INSPIRE, National Scholarship Portal, UGC, Social Welfare Department of State Government, National Handicapped Finance and Development Corporation etc.

TRAVEL CONCESSION

To facilitate the students travelling to their home during the semester break and to undertake study tours in different parts of India, railway concession orders are arranged for them. Railway concession orders are also issued for the students travelling across the country for representing University in any conference, educational /sports/cultural event

For Any Assistance Related To Welfare Activities, Please Feel Free To Contact

SCHOLARSHIPS

LIFE AT INVERTIS

EXTRA CURRICULAR & CO-CURRICULAR ACTIVITIES

Invertis University has recently launched an NCC unit to channel youth potential in the direction of nation-building. The NCC provides opportunities to students for the holistic development with a sense of Discipline and Commitment. The NCC is providing a wide range of activities such as First Aid, Camping, Trekking, Blood donation, Public awareness rallies, etc. The NCC unit of Invertis University has a positive influence as its cadets, inculcating a sense of duty, the spirit of discipline, affection to the fellow beings and a spirit of service to the nation. The Cadets are given basic military training in small arms and parades. With the motto, "Unity and Discipline", NCC aims to develop courage, Leadership, Dedication, Determination, Comradeship and Moral Values among the youth so that they become true leaders and useful citizens.

At Invertis we view Education as a total process of developing the personality of a student inherited with leadership and self management skills along with the academic excellence. For this is always important for us to focus on learning by doing. And to ensure this we have established various platforms like:

- Case studies for virtual simulation of business conditions for students to develop business strategies and their implementation
- Industrial tours to familiarize the students with the industry
- Project work
- Guest lectures by eminent academicians as well as experts and executives from industry
- HR conclaves and industry integration programs
- Group discussions to stimulate organizational behavior
- Organizational studies and surveys
- Simulation games

RECREATION AT INVERTIS

ABHIRUCHI-THE HOBBY CLUB

FROM EXECUTIVE CHAIRPERSON'S DESK

Abhiruchi - The Hobby Club is a fantastic endeavor of our students. Initiated as a small seedling, now in a span of seven years, it has taken the shape of a full grown tree which can provide shelter to many more. The Abhiruchi Club functions under guidance of seven CEOs for its different club and largely these are managed by the President, who is an appointed representative from among the students. Rest in the chain are other office-bearers who again are student representatives. The seven clubs are Panache-The Arts Club, Rock-on-The Cultural Club, Images-The Publication Club, I-Tech-The Technical Club, M-Factor-The Management Club, Stride-The Sports Club, The Responsible Invertian - The Social Cause Club.

These clubs individually take care of various on campus and off campus events. Starting from the in-house participation to participation in other institutes/universities, the clubs are looking after each and every detail. That is how the Abhiruchi Club nurtures the talents among the students. It is a learning platform which helps a student explore his/her personality to become an all rounder. Its objective is to develop a holistic personality.

The lessons of management and technical innovations are learnt while working on the real life platforms.

All new entrants are most welcome to join Abhiruchi for holistic development of their personality.

With Warm Wishes

Sonal Gautam
Executive Chairperson

I-TECH The Technical Club

Today, Tomorrow and the day after that, Technology is what drives the world. We at I-Tech, encourages your technical skills to innovate and make you ready to be a part of better tomorrow. We provide you a platform to explore and learn innovations in Robotics, IOT, Ethical hacking, Automobile assembling, Bridge designing, Gene engineering by conducting workshops and calling in experts of the said fields.

IMAGES The Publication Club

The pen is mightier than sword, only when it writes truth and thought provoking sentences. A word can change, make or break the entire meaning of a sentence. This club emphasizes you to present your writing skills to bring a positive change by publishing your thoughts in our in house magazine : Images.

M-FACTOR The Management Club

Strategize, Plan, Implement this is what you do when provoked for better results .This club incepts the basics of all Managerial skill set that is needed to be perfect in whatever field you choose. We Organize, Plan, Implement, Design management activities. We believe in symbiotic growth of all the clubs and the people involved within.

PANACHE The Arts Club

Art has it s own form of expression. Panache emphasizes on your artistic visions in painting, modeling & design based works such as creative art, craft & print making.

This club is based on creativity & imagination where you can showcase your talent.

ROCK ON The Cultural Club

'Joy' a feeling of happiness can be depicted by singing and dancing. The club encourage your talents in the two forms and gives you a stage that is larger than life. Your skill in vocals and instruments are shaped by guidance of experts in both the areas of music and dance.

STRIDE The Sports Club

'All work and no play makes jack a dull boy' we believe in all round development and thus regularly organize sports (indoors and outdoors) related event. We appreciate your inclination in good physical well being and encourage you to participate in national and international sports events where you represent the university.

The Responsible Invertian The Social Cause Club

The objective of an education institute is to produce successful & responsible citizens, who not only work towards their own Career Goals but contribute towards building a better society as well. The purpose of this club is involve Invertis students to undertake various initiatives for the betterment of the society and work towards it; not only during the tenure of their studies at Invertis, but beyond.

This club is run under the direct guidance of the University Chancellor **Dr. Umesh Gautam**.

INVERTIA THE ANNUAL FEST

Invertis celebrates its annual function with enormous energy & positive attitude to provide a platform to deserving students for extra & co-curricular activities like management game, quizzes...classical dances and song - group, solo, folk, just-a-minute, rangoli and mehandi competitions and many other programmes. Universities and Institutes across India are invited to participate in this event. The special attraction is 'Star Night' where well-known Bollywood celebrities entertain the students, their parents and the distinguished guests with their heart throbbing performances & motivate them to reach the epitome with help of focused & consistent hard work.

Our Students at Livingstone College, North Carolina (USA)

INTERNATIONAL STUDENT & FACULTY EXCHANGE PROGRAM

The student and faculty exchange programs would provide participants with the opportunity to study abroad or conduct research for a semester or an academic year at an overseas university. Invertis University has for long been aware of its role in a larger international academic community, and in pursuance of this, the University has been reaching out to fraternal institutions in different parts of the world for collaborative programs, research networks, student exchanges and so on.

Invertis University actively collaborates with a number of foreign Universities like **Livingstone College (North Carolina USA)**, **University of South Carolina (Upstate, SC, U.S.A)**, **Regenesys Business School (South Africa)** and **Advanced College of Engineering & Management (Kathmandu, Nepal)** and several other institutions.

Apart from above exchange program, we have research collaboration with Alexander von Humboldt Foundation of Germany and Howard University Washington DC, USA.

DISCIPLINE & ANTI RAGGING

Proctorial Board headed by THE CHIEF PROCTOR, is primarily responsible to ensure that the students of Invertis University follow all the framed rules and regulation, in order to maintain a pleasant atmosphere inside the campus.

KEY RESPONSIBILITIES OF PROCTORIAL BOARD

- Ensuring a RAGGING FREE Environment.
- Ensuring that the students get help in case of any difficulty, indiscipline or indecent behavior of any student, cases of individual / group harassment, threats, manhandling etc.
- Maintaining discipline.
- Ensuring the student's presence in the class as per University norms of 75%, during the semester and for this HODs & the Class in charges are in helping role.
- Ensure University rules are understood and followed.
- Ensuring that the student does not indulge in any political activities in the university premises.
- Ensuring that each student follows the Uniform code as per the specified University norms.

MEMBERS OF PROCTORIAL BOARD

Dr. Jitendra N. Srivastava (Chief Proctor)

Dr. Akash Sanghi, Assistant Professor
 Dr. Kamlesh Kumar Sharma, Assistant Professor
 Mr. Arvind Kumar, Assistant Professor
 Dr. Gaurav Agarwal, Assistant Professor
 Mohd. Shakeel, Assistant Professor
 Dr. Ravi Deval, Associate Professor
 Mr. Tarun Gupta, Assistant Professor
 Ms. Shilpi Dixit, Assistant Professor

ANTI RAGGING HELPLINE:
 +91 9690077788, 9690017905

In view of the directions of the Hon'ble Supreme Court in SLP No. 24295 of 2006 dated 16-05-2007 and in Civil Appeal number 887 of 2009, dated 08-05-2009 to prohibit, prevent and eliminate the scourge of ragging including any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student, in all higher education institutions in the country, and thereby, to provide for the healthy development, physically and psychologically, of all students, the Invertis University brings forth these Regulations.

WHAT CONSTITUTES RAGGING?

RAGGING CONSTITUTES ONE OR MORE OF ANY OF THE FOLLOWING ACTS:

- Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student.
- Indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student.
- Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student.
- Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher.
- Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.
- Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students.
- Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person.
- Any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student.
- Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

ACTIONS AGAINST STUDENTS INDULGING AND ABETTING IN RAGGING

- The punishment to be meted out to the persons indulged in ragging has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents. The students who are found to be indulged in ragging should be debarred from taking admission in any technical institution in India.
- Every single incident of ragging a First Information Report (FIR) must be filed without exception by the institutional authorities with the local police authorities.
- Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the institution, the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following.
 - Cancellation of admission.
 - Suspension from attending classes.
 - Withholding/withdrawing scholarship/fellowship and other benefits.
 - Debarring from appearing in any test/examination or other evaluation process.
 - Withholding results.
 - Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
 - Suspension/expulsion from the hostel.
 - Rustication from the institution for period ranging from 1 to 4 semesters.
 - Expulsion from the institution and consequent debarring from admission to any other institution.
 - Collective punishment: when the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment as a deterrent to ensure community pressure on the potential raggers.
- The institutional authority shall intimate the incidents of ragging occurred in their premises along with actions taken to the Council immediately after occurrence of such incident and inform the status of the case from time to time.
- Courts should make an effort to ensure that cases involving ragging are taken up on priority basis to send the correct message that ragging is not only to be discouraged but also to be dealt with sternness.

**DO NOT BE A VICTIM
OR A WITNESS!!
SAY NO TO RAGGING!!**

WOMEN GRIEVANCE CELL

The Women Grievance Cell has been constituted following the directives from the University Grants Commission to create a secure environment and promote gender sensitization and works for prevention, prohibition and redressal of any issues pertaining to sexual harassment as defined by law. Managed by a team of officials, the Women Grievance Cell, takes care of the issues pertaining to female students, faculty and staff members. The aggrieved person may contact the Women Grievance Cell to communicate her grievances and complaints as and when she faces any problem related to gender discrimination and sexual harassment. Objectives of the Women Grievance Cell are stated as follows.

OBJECTIVES:

- It deals with the grievances from students, faculty and staff members.
- The complaint can be registered with any of the committee members.
- The aggrieved person may directly contact any member of the committee.
- It works to prevent gender discrimination and sexual harassment by promoting gender amity.
- It deals with cases of sexual harassment, its resolution, settlement and prosecution in a time bound manner.
- It recommends appropriate punitive action against the guilty to the university authorities.

COMMITTEE:

Ms. Shalini Anand, Chairperson
Dr. Rubina Verma, Member
Ms. Nasreen Javed, Member
Ms. Nishu Rastogi, Member

★ Amritansh Mishra	MBA, M.A. (English), M.A. (Economics)	Professional Communication, Interjector & General English
★ Appras Viles	Dip. (Leadership Management & Personality Development), B.Com.	Personality Development Trainer, Professional Communication Trainer
★ Bushra Khanam	UGC-NET (Eng.), M.A. (Gold Medalist),	English Literature, Professional Communication, Phonetics
AGRICULTURE		
★ Dr. Surabhi Shukla	Ph.D. Food Technology, M.Sc. Food Technology, ICAR-NET	Food Processing, Dairy Technology, Cereals Technology
★ Dr. Akshita Banga	Ph.D. Forestry, M.Sc. Agriculture	Forestry, Agroforestry, Weed management
★ Dr. Varun Tripathi	Ph.D. Soil Science, M.Sc. Soil Science	Soil Science, Agronomy, Chemistry
★ Dr. Jyoti Pandey	Ph.D. Forestry, M.Sc. Agriculture, ICAR NET	Forestry, Agroforestry, Organic farming
★ Ashish Kumar Singh	Ph.D. (Vegetable science-Purusing), M.Sc. Horticulture, ICAR-NET	Horticulture, vegetable breeder, Plant breeder
★ Dr. Soniya Joshi	Ph.D. Entomology, M.Sc. Zoology, ICAR Net	Entomology, pathology, zoology
★ Dr. Mudita Verma	Ph.D. Food Technology, M.Sc. Food Technology, ICAR-NET	Food Chemistry, Quality control and Food laws, Food packaging.

GATEWAY TO INVERTIS UNIVERSITY

ADMISSION PROCEDURE FOR NATIONAL STUDENTS

HOW TO APPLY

1. OBTAINING APPLICATION FORM:

Students can obtain the application form by means of either of the below mentioned options:

- Online : Visit our website www.invertisuniversity.ac.in and go through the link of "Online Admission" to fill the application form and pay the application fees of ` 750/- online through credit cards, debit cards or Internet banking.
- Enquiry Desk: Students can purchase the application form by paying an amount of ` 700/- in cash/demand draft (issued in favor of " Invertis Unviersity Bareilly") from any of our mentioned offices :

CAMPUS: Invertis Unviersity, Invertis Village, Delhi-Lucknow National Highway-25, Bareilly -243123 (U.P.), India.

CITY OFFICE: B-186, Civil Lines, Opposite GPO, Bareilly-243001 (U.P.), India.

AUTHORIZED REGIONAL ADMISSION OFFICES located at various cities.

2. ENTRANCE EXAM:

Students fulfilling the eligibility criterion will be given admission to different courses of the University through Invertis University Combined Entrance Test (IUCET) followed by Counseling / GD and PI with due weightage to the performance in 10th, 12th and graduation (if applicable) examination OR direct admission through merit of national level competitive exams conducted by independent bodies like JEE (Mains) / CAT / XAT / CLAT / MAT / GATE / UGAT / UPMAT, UPSEE and other Central and State entrance exams.

GENERAL FEES RULES

- The fee is payable through pay order or through demand draft in favour of 'Invertis University, Bareilly' payable at Bareilly. The fee, once paid, is non refundable or cannot be adjusted in any manner. The University may make any alteration in fee structure, which has to be abided by the students.
- Examination fee, Hostel fee/Bus fee, Uniform fee and Stationery fee shall be charged as per the University norms.
- In campus, hostel accommodation is available to students. There are separate hostels for boys and girls.

- Score Card of Pre Qualifying Exam
- Domicile (If Required)
- Undertaking for antiragging & attendance
- Aadhar Card

FOR FOREIGN STUDENTS

WHO CAN APPLY: Foreign citizens, PIO card holders, OCI (Overseas Citizens of India), NRI students and NRI sponsored students can apply under the Foreign/ NRI category. These candidates are not required to take the entrance examinations conducted for resident Indian students (General Category). Foreign students, PIO Card Holders, OCI (Overseas Citizens of India) and NRI students (including those sponsored by the parents) get preference over NRI Sponsored category.

SAARC MEMBER COUNTRIES: The fee structure applicable is same as for Indian nationals.

HOW TO APPLY: The office of International Admissions of Invertis University (IU) is the nodal point for international students. Foreign/NRI students from abroad will generally be admitted at the beginning of the academic year commencing in July/August every year. The admissions are based on merit and marks/grades obtained in the qualifying examination (equivalent to the 10+2 examinations of India) International students are not required to take the entrance examination conducted by Invertis University for resident Indian students. International students seeking admission to the PG courses should have graduate degree equivalent to an Indian graduate degree. Just send in an email(admission@invertis.org) to the office of International Admissions for any further details/queries.

CATEGORIES OF FOREIGN STUDENTS

FOREIGN STUDENTS: Students holding the passport issued by foreign countries including people of Indian origin who have acquired the nationality of foreign countries are classified as foreign students.

NON RESIDENT INDIANS (NRI): An NRI student is one who has an NRI status. Students who have studied their qualifying examination (equivalent to the 10+2 of India) from schools or colleges abroad will be considered as NRI/ International students.

NRI SPONSORED STUDENTS: An NRI sponsored student is an Indian citizen whose direct blood relative (parents, grandparents, parent's direct brother/sister or candidate's direct brother/sister) is an NRI.

STEPS FOR INTERNATIONAL STUDENTS

STEP-1: (A) Download the application form from the website. **OR (B)** Get the application form by writing to: Head, Foreign Admissions, Invertis University, Invertis Village, NH-24, Bareilly, Uttar Pradesh, India, Pin Code-243123. Please note the application form for resident Indian students and foreign students are different.

STEP-2: Fill up the application form. If the final marks/results are available, then attach the results. If the marks/ grades are not known or not available at the time of filling the application, please indicate 'results awaited' in the marks/grades column. Students who will be appearing for the GCE 'A' Levels and IB examinations in June 2018 will have to enclose forecast/predicted results certified by the school. All other candidates are expected to send their final results to the University as soon as it is available to ascertain their eligibility. It is to be noted that the application will be considered only if the marks/grades are made available to the University within the stipulated date.

STEP-3: Attach the following documents:

- (a) Certified copy (English translated) of the marks/ grade sheet of the qualifying examination.
- (b) Certified copy of the grade equivalent to marks by boards/schools.
- (c) Copy of passport.
- (d) Proof of NRI status of the student/parents/sponsor.
- (e) 8 recent passport size photographs.
- (f) Application fee of US \$ 50 or Indian Rupees 2,500 in the form of a bank draft/cashier's check in favour of 'Invertis University'. Draft should be payable at Bareilly if paid in Indian Rupees.

STEP-4: Submit the filled-in application along with the above documents to: Head International Admissions, Invertis University, Invertis Village, NH-24, Bareilly, Uttar Pradesh, India, Pin Code-243123, Tel: 91-0581-2460442, 2460443, Email: admission@invertis.org

STEP-5: Acknowledgement: When the application is received, the candidate will be sent a letter of acknowledgement with an application number informing that the application has been received. Students will also be intimated if additional information is required.

Acknowledgement will be sent by email to the candidate/parents.

STEP-6: Provisional Admission: On satisfying all the eligibility requirements, the provisional admission/offer letter will be e-mailed and a hard copy will be posted to the candidate. Students who have submitted the forecast or predicted or pre-board results, letters of provisional admission/offer letter (conditional) will be sent. The letter will state when the first installment of course/tuition fee should be paid which is 25% of the total tuition fee.

STEP-7: Confirmed Admission: A letter of confirmed admission will be issued as soon as the first installment of course fee/tuition fee is received by the University. The confirmed admission letter may be used by foreign students to apply for their student visa from the Indian embassy.

STEP-8: Final Information Package: Four weeks prior to the commencement of classes, information pertaining to "Things To Do On Arrival", academic calendar, details of hotels, etc will be sent. This letter will also indicate the date of final registration at Invertis University.

STEP-9: Final Registration: Students are advised to reach Invertis campus 1-2 days prior to the commencement of classes and report to the office of the Deputy Director, International Admissions, Invertis University for submission of their official or original mark sheets/ transcripts and other documents as listed in the confirmed admission letter. Thereafter candidates will be issued an 'Admission Order'. Only after the admission formalities are completed, will students be permitted to move into the allotted hostels.

STEP-10: Registration at FRO: It is part of the normal mandatory process that all foreign students holding foreign citizenship have to register with the Foreigner's Registration Office (FRO) within the stipulated time frame of their arrival in India. A student who is a PIO card holder is also required to register with the FRO. Invertis University will provide the necessary assistance in this regard.
