The blood bank collected **250** units of blood.

The samples were carefully sealed and transported away, while the volunteers and hospital staff helped in the clean-up of the area. Throughout the morning, there were smiles and laughter all around - a true embodiment of what we believe in - selfless service with a smile. The donors will receive the certificates of recognition and also get a card where one unit of blood is available free from Mission Hospital blood bank in next one year.
