World Pharmacists Day- 2018

The theme for world pharmacist day in 2018 was “Pharmacists are your medicines experts” announced by The International Pharmaceutical Federation (FIP). The global awareness-raising event falls on 25 September. The theme was chosen to highlight pharmacist’s expertise in the area of patient health. This expertise is applied through science and research, through educating the next generation, and through transforming patient needs into services. In the occasion of world pharmacist day, Invertis institute of pharmacy organized an event called “NUKKAD NAATAK” to aware people regarding “drug abuse and alcohol abuse”. They also organized “PHARMA-Q 2018: The pharma quiz competition” for pharmacy students. The quiz was based on the theme. It provide an opportunity to students to learn how pharmacy works with other parts of the other healthcare system. For every patient who walks into a pharmacy, pharmacists ensure that the right medicine is provided at the right dose and in the most suitable formulation.

World Pharmacists Day- 2017

This year theme for world pharmacist day was “From research to health care: Your pharmacist is at your service”. This theme was chosen to reflect the numerous contributions the pharmacy profession makes to health. From research and development of medicines, to educating future pharmacists and pharmaceutical scientists, and providing direct care, we do all this in the service of our patients and communities. This year Invertis institute of pharmacy organized an event called "Industry Academia Interaction Programme". This provides an opportunity to the student to interact with person who is related to industry as well as in academic profession. They discuss about the pharmacists are the backbone of health care in many different settings. Providing care does not begin in community or hospital pharmacies but taking care of patient's starts with recognizing the health issues of populations and developing medicines, policies and education to tackle them. Pharmacists act at the very beginning of the process; when the first molecule that effectively treats a disease is identified.

World Pharmacists Day- 2016

Invertis institute of pharmacy celebrated World pharmacist's day 2016 on 25 September. "Pharmacists: Caring for you" was the theme of World Pharmacists Day 2016. The theme

was chosen to reflect the important role of pharmacists in providing care to the public, and also to highlight the emotional connection they have with their patients. In this occasion Department of pharmacy organized an awareness program for students and public. Pharmacy students participate in a rally to raise awareness about, “Pharmacists: Caring for you” with banner and hoarding in their hands. To aware the public about role of pharmacists has evolved from that of a provider of medicines to that of a provider of care. Pharmacists have a vital role in the outcome of pharmacological therapies and ultimately strive to improve patient’s quality of life.

World Pharmacists Day- 2015

This year's theme was “The Pharmacist – Your Partner in Healthcare’. In this occasion Invertis institute of pharmacy, take initiative to encourage pharmacy students and pharmacists to organize activities that promote and advocate for the role of the pharmacist in improving health in every corner of the world. World Pharmacist Day can be used to highlight the confidence and close collaboration that pharmacists have with patients and other healthcare professionals. Medicines must go hand in hand with pharmaceutical expertise, or in other words, with pharmacists. This partnership is essential to the responsible use of medicines. But other partnerships are also important. Every day three million pharmacists and pharmaceutical scientists around the world act as partners to patients, other health care professionals and other scientists, as well as policymakers, with the shared vision of better health. The provision of medicines and advice by hospital and community pharmacists but relates to all elements of the supply chain, including research and industry. Across the globe our profession is clearly demonstrating all the requirements of great partnerships; shared goals, commitment, vital skills

and rapport, as well as the ability to have difficult talks and to overcome obstacles. We need to let people know this.

Report **Blood** Donation camp

“Heroes come in all types and sizes”

To facilitate a great cause the blood donation camp was organized by “The Responsible Invertian club” on Thursday, 14th October, at **Invertis University** in collaboration with **Lions Club, Bareilly**, under the supervision of the Honorable Chancellor Dr. Umesh Gautam.

Entire team of “The Responsible Invertian Club” was carrying the different aspects of Blood Donation Camp like; on the spot registration, ensure proper testing of donors including their weight, BP, Sugar, Hemoglobin, ensure all the medical facility, maintaining of queue, after donation requisites etc.

Dr. Sangeeta Saxena and Mr. Amitabh Drone were available from mission hospital along with 60 members of staff including Nurses, specialist, blood bank incharge and other helping staff.

Dr. Umesh Gautam (Chancellor), Invertis University) was continuously taking the feedback of donors and giving them necessary instructions. He also arranged 3 Ambulance to tackle with any medical circumstances.

Ms. Swati bhardwaj (Convener) Blood donation camp was maintaining the balance of all necessary items along with faculty team of The Responsible Invertian including Amritansh Mishra, Ruchi Rastogi, Nasreen Javed, Avtan Singh, Dr. Meenakshi Verma etc.

Camp was organized to help the poor section of our society who can't afford expenses may occur due to any accident or any other medical emergency happened to them.

It began at around 9:30 am and continued up to 4 pm, with the great crowd of blood donors throughout. Donors came from different locations including faculty, students and staff members of Invertis University.

The corridor of the seminar hall 1 and 2 of the university was full with young Invertians, happy to be able to play their part in lending a helping hand to people in the region. 20 Students of pharmacy were giving their assistance in blood donation camp as volunteer along with their faculty members and they were learning practical aspects of pharmacy.

One of the seminar halls was utilized for a thorough medical check-up of potential donors, while another hall was utilize, where donors could lie down and recuperate for a while before they leave venue.

They were provided with glucose water, food including biscuits, a fruity and a cup of coffee.

Camp was also sponsored by **Reliance Jio**, who were distributing Jio sim to all the blood donors free of cost.

It was great to see more people than pre-registration numbers turning up in the venue. This stretched the capacity of the blood bank, as a result of which the contact details of the donors were taken so as to allow them to donate at the earliest to the blood bank. The blood bank collected **250** units of blood.

The samples were carefully sealed and transported away, while the volunteers and hospital staff helped in the clean-up of the area. Throughout the morning, there

were smiles and laughter all around - a true embodiment of what we believe in - selfless service with a smile. The donors will receive the certificates of recognition and also get a card where one unit of blood is available free from Mission hospital blood bank in next one year.

We thank all the campus community for coming forward for this great cause. Invertis University and The responsible Invertian team are honored and feel privileged to make Blood Donation camp a great success.
