Subject: Issues Regarding MOD

Dear Sir

We received MOU send by BSE Institute Ital. We have problem in police which we are mentioning below

initially we are going to start with 40 students and expecting gradually it will go up to 60 and more. As we are starting this course first time in this region therefore we need to convince parents and consideres both that the course will be taken in future. In whole fields the kind of course are not available therefore in a taking time to take oil. Once the course will start and weed of mostly by students will apread, expecting more admission. Provide counsider,

Clause no 2.2 Regarding Payment to BIL

MOU mentioning that Bit, shall raise the invoice for Rs.20,000+ per students at the beginning at each academic year.

Dear Sir the problem is region is not that much rich, here students pay in instalments. We receive payment to minimum four instalments therefore it will not be possible for us to pay complete amount at the beginning. Please sectify the same as 25% at the beginning, 25% at the mid and rest 56% at the end of the year.

Also I have humble request to you please enter three months industrial training clause by Bit, in a

We are looking forward for your kind deoperation in these changes in MOU from Bit, side. We are promising that this venture will bring big came for both of us.

GENERAL MEMORANDUM OF UNDERSTANDING BETWEEN LIVINGSTONE COLLEGE, SALISBURY, NORTH CAROLINA, USA AND INVERTIS UNIVERSITY, BAREILLY, U. P., INDIA

FOR TRANSFERRED STUDENTS - UNDERGRADUATE DEGREE PROGRAM

The Invertis University and Livingstone College, Salisbury, North Carolina seek to establish a mutually beneficial relationship between the two institutions by developing academic undergraduate degree program.

Within the framework of the regulations applying to each Institution, and subject to the availability of resources, the following programs and activities will be encouraged.

- Exchange of faculty and staff
- Exchange of academic materials and information
- Collaborative research

The agreement between Invertis University and Livingstone College may be in any appropriate field of study available at either institution, subject to the prior approval of the host institution.

EXCHANGE OF FACULTY MEMBERS

1. Teaching Exchange

- Each institution may nominate one of its professors (means a faculty member) to participate in an exchange for the purpose of teaching and research in the other institution.
- The period of exchange will be agreed upon in writing by both parties. Initially, it will be for a period of two or four weeks or for a full semester. This period may be changed by the mutual consent of both parties.
- Travel expenses for professors on teaching exchange are not compensated by the host institution, unless specific arrangements are made and agreed to in writing in advance.
- In general, professors on teaching exchanges will remain on full salary benefits with their respective institutions.

Registrar Invertis University

- Teaching course loads, working hours and conditions will normally be in accordance with established rules and practices of the host institution, subject to prior negotiation and agreement.
- Remuneration for special projects is subject to special negotiation
- The host institution will give access to office space, libraries, living accommodations, food, and other needed facilities for professors on teaching exchanges.
- Professors on teaching exchanges must carry health insurance that meets the requirements of the host institution.

INTERNATIONAL STUDENTS

- All international students must operate within the existing guidelines and regulations of the host institution, and are required to abide by the immigration Rules
- The number of international students under this Agreement will be agreed on in writing in advance.
- International students must be selected by a special commission at their home institution, and accepted by the host institution.
- Language proficiency of international students will be evaluated and verified for the host institution in advance by appropriate personnel of the sending institution.
- International students are required to take courses for credit at the host institution who will issue a transcript and grades for international students under the same rules and regulations as for its own students.
- The host institution will evaluate the equivalency of the courses at the home institution in awarding the grades to the international students.
- The equivalency of the courses at home and host institutions will be determined by the academic committees of both institutions respectively.
- International students are expected to adhere to the rules and regulations of the host institution and respect the culture, national traditions, and customs of the host country.
- Each student participating in the degree program will be responsible for the following costs:
 - Travel costs to and from each institution.
 - Medical health insurance and health service fee
 - Passport and visa costs
 - Course material required by the particular program.

Page 2 of 4

Registrar Invertis University

- Any other debts the student may incur during the period spent at the host institution.
- During the stay for study at Livingstone College, the students are required to pay 70% of all expenses at Livingstone College including tuition fee. boarding, lodging, and any other expense necessary to complete the degree requirements at Livingstone College.

CINDITIONS OF THE AGREEMENT

The Agreement will be valid for a term of ten years from the date of the most recent signature below.

Either institution may terminate this Agreement with a written notice of one year. This period is necessary to ensure that exchanges planned or in progress are completed satisfactorily.

Modifications may be proposed at any time, and they will be effective from the date of written notification signed by both institutions.

- Teaching course loads, working hours and conditions will normally be in accordance with established rules and practices of the host institution, subject to prior negotiation and agreement.
- Remuneration for special projects is subject to special negotiation.
- The host institution will give access to office space, libraries and other needed facilities for professors on teaching exchanges.
- Professors on teaching exchanges must carry health insurance that meets the requirements of the host institution.

2. Visiting Scholars

- Visiting scholars may have the approval of the host institution to visit during a short period for the purpose of research, consulting and short-team teaching, and subject to prior negotiations.
- Travel expenses for visiting scholars are not normally paid by the host institution, unless specific arrangements are made and agreed in writing in advance
- The host institution will provide an institutional appointment and library access
- Visiting scholars must carry medical health insurance that meets the requirements of the host institution.

EXCHANGE OF STUDENTS

- All student exchanges must operate within the existing guidelines and regulations of the host institution.
- The number of students exchanged under this Agreement will be agreed on in writing in advance. Initially it will be a maximum of 10 students per year. This exchange would be balanced over period of 5 years.
- Exchange students must be selected by a special commission at their home institution, and accepted by the other institution.
- Language proficiency of exchange student will be evaluated and verified for the host institution in advance by appropriate personnel of the sending institution.
- Exchange students will be admitted by the host institution for a period of one or two semesters.

Santock Page 2 014

- Exchange students may take courses for credit, and the host institution will issue a transcript and grades for exchange students under the same rules and regulations as for its students.
- During the exchange program, students must continue paying their tuition as their home institution.
- Exchange students must carry medical health insurance that meets the requirements of the host institution.
- Exchange students are expected to adhere to the rules and regulations of the host institution and respect the cultural mores, national traditions, and customs of the host country.
- Each student participating in the exchange program will be responsible for the following costs:
 - Travel costs to and from each institution.
 - Medical health insurance and health service fee.
 - Passport and visa costs
 - Course material required by the particular program.
 - Any other debts the student may incur during the period spent at the host institution.
 - Accommodation cost (traveling and lodging) would be borne by the Host University but the visiting exchange student has to pay the fees at the home institution.
 - Boarding and lodging will be provided free by the host institution for the exchange students.
 - Exchange Students must compile a project about the benefits of the exchange program.

CINDITIONS OF THE AGREEMENT

The Agreement will be valid for a term of five years from the date of the most recent signature below.

The absence of exchanges during any one academic year is possible and does not nullify this Agreement.

Either institution may terminate this Agreement with a written notice of six months. This period is necessary to ensure that exchanges planned or in progress are completed satisfactorily.

Modifications may be proposed at any time, and they will be effective from the date of written notification signed by both institutions.

MEMORANDUM OF UNDERSTANDING

BETWEEN

INVERTIS UNIVERSITY, BAREILLY

AND

MRIDA RENERGY & DEVELOPMENT (P) LTD., NEW DELHI

PREAMBLES

This Agreement made and entered into on this 05 # day of Folgon 2019 between INVERTIS UNIVERSITY (hereinafter called Invertis) situated at, Bareilly, Uttar Pradesh, Pin - 243 123, a leading University offering wide range of professional courses pertaining to different fields of study and Mrida Renergy & Development (P) Ltd. (hereinafter called "Mrida") with its registered office at B18, Second Floor, Shivalik, New Delhi' - 110 017, a Social Business Venture that seeks to build sustainable and scalable business models aimed at holistic rural development at the Base of the Pyramid (BOP).

L. OBJECTIVES OF THE MOU

There are several areas of synergy, considering that the University offers programs/courses in Agriculture, Rural Management and Business Management, among others. There could be excellent opportunities for students to get a feel of the ground realities and practical exposure along with their academic inputs, and for the students/faculty to conduct field level research, while for Mrida and IL&FS, this would be an opportunity to get excellent theoretical as well as practical inputs and support from young, energetic minds and from the highly skilled and experiences faculty at Invertis.

Hence, the objective of this Memorandum of Understanding is:

- a. To promote interaction between Invertis and Mrida in mutually beneficial areas.
- b. To provide a formal basis for initiating interaction between UNIVERSITY and COMPANY.
- Parsue collaboration on fundamental, academic research and optimization of applications performance.
- d. Provide mutual access to facilities for the purposes of fundamental and research.
- Encourage collaboration and cooperation of projects involving students and faculties associated with each Party
- f. Training programs on state of art topics of interdisciplinary research for faculty, staff, student and technical personnel of both the organizations within the area of cooperation will be undertaken at both the parties.

2. PROPOSED MODES / AREAS OF COLLABORATION

a. Internship opportunities with Mrida for the student of Invertis - in the field in Bareilly/other location, and/or at the Head Office in Delhi

Samasias Registrar Inversity Inversity Registrar Invertis Univers

 Involvement of the students / faculty in field projects as a part of the curriculum - for the MBA/Rural Management Programs, and for the Department. of Agriculture

c. Setting up of a Field Innovation/Sustainability Lab in the vicinity of the University, where successive batches of students can involve themselves in real life projects and development initiatives, and which faculty members and research scholars can also use as a Documentation / Research opportunity

d. Engagement with IL&FS through Mrida on various projects and initiatives along the

Bareilly-Moradabad Expressway

e. Setting up of micro organizations and entities as a joint initiative between rural village

folk, Invertis, and IL&FS/Mrida

f. Involvement of IL&FS/Mrida senior management team members as Visiting Faculty at Invertis, to share experiences with students. In fact, in case there is an interest at your end, it would be even possible to consider designing jointly and taking either an entire course, and/or module(s) within an existing course at the University – this could be in the areas of Social Entrepreneurship, Business Management, or Rural Management

(Each of the above modes of interaction will be initiated by entering into a separate agreement between the two parties.)

3. AGREEMENTS FOR RESEARCH COLLABORATION

Each research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate research agreement between the parties, which will describe in detail:

a. the nature, scope and schedule of the research collaboration

b. the form of the research collaboration in case of setting up micro organization(s) where each party formally takes a stake and is responsible for the development/progress of the project

c. the estimated cost of the collaboration and funding from each party or involvement of

third party to fully/partly fund the initiative

4. TERMS AND TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall expire I year after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 30 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research Agreement.

5. RELATIONSHIP

Nothing in this MOU shall be construed to make either party a partner, an agent or legal representative of the other for any purpose.

Dear Professors,

It is my pleasure to invite you to give a seminar to our faculty members and ser or students on "Climate Change and its impact on Himalayan region". I request one to share your experience about climate change and its impact on 9 of May or day). During your stay we want to make some discussions on collaborar to activities between Invertis University and Institute of Engineering, Indibitive at University: So with these agenda we want to make an invitation to you to visit our university from May 8 to May 10, 2017.

Thanking You,

(Jagdish Rai)

AND

TECHNOLOGICAL UNIVERSITY OF THE AMERICAS
(www.tua.university)
BINDASTRAAT 68, PARAMARIBO, SURINAME, SOUTH AMERICA

Santock.

Purpose:

The purpose of this Memorandum of Understanding (MOU) is to provide an opportunity to aspiring persons for doing research work leading to a Ph.D. degree. Invertis Unuiversity (IU) has well established and rigorous research programs in different areas. Latin American and American students of African origin can have an opportunity to do research work and get the degree of Doctor of Philosophy (Ph.D.) as the cost of enrollment in American and European universities is very high.

Background:

- A. Invertis University (party no. 1) is established by the U.P. Government legislation u/s 2(f) of UGC act 1956 vide U.P. act 22 of 2010 and approved by University Grants Commission (UGC). All India Council of Technical Education (AICTE), Pharmacy Council of India (PCI), Architecture Council of India (ACI), Bar Council of India (BCI) and National Council for Teacher's Education (NCTE)
- B. Innovation University of Silicon Valley (party no. 2) is established as a private distance education (partly on campus) institution in San Jose, California, U.S.A. and accredited in U.K. Qualify Ltd.. The US accrediton will be obtained in 2017.
- C. Technological University of the Americas (party no. 2) is established in 2011 as a private distance education (partly on campus) institution, recognized/licensed by the Department of Higher Education and Community Development and accredited by NOVA in Suriname. It also has the accreditation in U.K. by Qualify Ltd.
- D. IU and IUSV/TUA are desirous to collaborate for doctoral degree program.

Agreement:

1. Effective Date and Duration of Agreement

This Memorandum of Understanding ('MoU') shall take effect from the date of latest signature. It will be for a period of 5 years. The agreement will automatically be extended for another 5 years if non of the parties object to

Area of Cooperation:

The parties will discuss opportunities for cooperation in the following areas with the view of developing and carrying out collaborative activities at doctoral level.

- (a) Business Admiistration
- (b) Accounting
- (c) Information Technology
- (d) Education
- (e) Any other area with mutual agreement.

2. Academics, Evaluation and Award of Degree

Collaborative activities between the parties will be subject to further agreement detailing the parties responsibilities and obligations and the conditions relating to each activity and compliance with applicable Law within India and USA/Suriname. The following are the activities agreed upon by both the parties:

- (a) Whereas IU has authority to run various courses on campus. has resolved to conduct doctoral degree programs related to above mentioned areas in collaboration with IUSV/TUA..
- (b)A written test for admission to Ph.D. program will be held at Invertis University. Alternatively it can be held at IUSV/TUA. If IUSV/TUA holds the test, the grade sheet for each student will be provided to IU.
- (c) Students selected for doctoral program have to go through Pre Ph.D. courses of atleast a semester and have to earn 8 to 12 credit hours. These courses can be taken at IU or IUSV/TUA. If IUSV/TUA conducts these courses the grade sheet/transcript will be sent to IU.
- (d) After the student has secured a minimum of B grade or 60% marks, he/she has to write a research proposal which will be examined by Research Degree Committee (RDC). For this purpose the student will be analogue.

come to IU to defend the proposal. When the proposal has been approved by RDC, they will be registered? Admitted for Ph.D. program.

- (e) The admitted student has to pay fees of USD 1800.00 per annum till he/she has submitted the Ph.D. thesis. At the time of thesis submission the student has to pay USD 600.00 as examination/evaluation fee.
- (f) After RDC approval the student can do research work at 11 or IUSV/TUA. There will be one (or more) Ph.D. guide from IU and one (or more) from IUSV/TUA.
- (g) The IUSV/TUA will form a Student Research Committee (SRC) for each student. Every year in the month of January and July the candidate will present his/her research work in the last six months to the SRC and the committee may advise the student regarding research work. They have to clearly mention whether the progress is satisfactory or unsatisfactory. The SRC report will be sent to IU for keeping the record. If the three consecutive report is unsatisfactory or the student does not turn up to present his/her progress, the Ph.D. registration will be cancelled by IU.
- (b) When the research work is completed and the candidate is ready to submit his/her Ph.D. thesis, the SRC will examine the work and may recommend for the submission of thesis. In this meeting. In this meeting the SRC through the guide will recommend 5 names of would be examiners from India and 5 from other developed countries. Along with this list and recommendation of SRC 4 copies of the Ph.D. thesis will be sent to IU for onward processing and evaluation.
- (i) IU will send the thesis to one (or two) examiners in India and one (or thw) examiners outside India for evaluation.
- (j) When all the reports have been received and are positive, the candidate has to come to IU for the defense of his/her thesis. After successful completion of defense, a provisional degree will be provided to the candidate. The degree will be handed to him/her in the forthcoming convocation (graduation ceremony).

Registrar Invertis University Bareilly Santock.

3. Confidentiality

Each party shall keep confidential all information or material acquired or produced in connection with this agreement and shall not without prior written consent use or disuse or otherwise make available this information or material in any form to any person. This provision shall be binding upon the parties and shall survive even after the termination or expiry of this agreement.

4. Intellectual Property

Ownership of intellectual property shared by the parties pursuant to this agreement will remain with the contributor or creator. All such material should be treated as confidential and not for public circulation unless specifically agreed otherwise by both parties. This provision shall be binding upon the parties and shall survive the termination or expiry of this agreement.

5. Standard of Performance

The parties agree that all obligations under this MOU and any agreement resulting from this MOU shall be performed in a manner protective of and consistent with the reputation of both parties for excellence and integrity in education, research and scholarship.

6. Termination

Either party may terminate this MOU by providing a minimum of six months written notice to the other party.

7. Any thing not covered in this agreement can be negotiated separately.

Ph.D. program at our university

7 messages

Vice Chancellor <jagdish.rai@invertis.org>
To: Innovation University of Silicon Valley <hubert.rampersad@gmail.com>

Thu, Jun 30, 2016 at 4.42 Pt.1

Prof. Hubert Rampersad, President, Innovation University of Silicon Valley, San Jose, California, U.S.A.

Dear Prof. Rampersad.

I am in receipt of the draft of MOU. This is to bring to your kirld notice that the Invertis University is not NAAC accredited. The university was established by the U.P. Government legislation, and approved accredited by University Grants Commission (UGC), All India Council for Technical Education (AICTE). But Council of India (BCI), Pharmacy Council of India (PCI), Architecture Council of India (ACI) and National council for Technical Education (NCTU).

We do not have distance education facilities. However, we have applied for the same to the Government of India and hope to get permission in near future.

However, students from IUSV and TUA can always have the short visit starting from a few weeks to a few semesters...

Students at our university study in the class room and 75% attendance is necessary to appear at the examination.

As the Ph.D. program does not require rigorous class room studies, it is slightly relaxed. Following steps we can take for the enrollment of Ph.D. students.

- 1. We take test for Ph.D. admission for Indian students. However a foreign student can be admitted one by without any test.
- 2. The admitted students have to go through some courses for about a semester and have to take a to 12 credit hours. They can study at IUSV or TUA and the grade will be transferred to us. Alternatively they can come to our campus for the above course.
- 3. After they secure a minimum of 8 grade, they have to write a research proposal which will be examined by a committee known as Research Degree Committee (RDC). For this purpose it will be necessary for their to come to invertis University for a few days.
- 4. When their proposal is approved by RDC, they can start research work at IUSV or TUA. Every year in the month of January and July the student has to present the progress report to a committee of local professors. The approved progress report has to be mailed to Invertis University.
- 5. When the research work is completed, the candidate will present his work to the local committee. The LOcal Committee may recommend for the thesis submission. The Local Committee will also recommend to names of 5 Indian and 5 examiners outside India (from developed countries). Along with this list the mass of a mailed to Invertis University.

 Registrar

6. When the thesis has been approved by the examiners, the candidate has IQVEATS UNIVERSITY a few days to defend his thesis.

Further as suggested by you, I will contact some universities which have distance learning programs. However, I am leaving tomorrow for Varanasi for some personal work. After returning back in about one week time I will start working on the same.

With best regards,

Jegdish Rai

Prof. Jagdish Rai, Vice Chancellor, Invertis University, Bareilly.

Thu, Jun 30, 2015 at 11 07 PM

Dear Prof. Rai,

Thanks for your reply. Are degrees from Invertis University accepted/recognized in the USA and Europe?

lagree with your points, but with the following clarifications:

- 1. We will focus mainly on PhD, without any test. They will do the test at IUSV/TUA if needed
- 2. The admitted students will finish the courses of 8 to 12 credit hours at IUSV/TUA based on your course materials by our professors. They will study at IUSV/TUA and the grade will be transferred to you.
- 3. After they secure a minimum of B grade, they will write a research proposal which will be examined by your Research Degree Committee (RDC). They will not go to India for this purpose. RDC will interview the student via our video conferencing system (embedded on our website). Most of the students are poor African students and can not afford it to go to India.
- 4. When their proposal is approved by RDC, they will start research work at JUSV/TUA Every year in the month of January and July the student will present the progress report to a committee of local professors via our video conferencing system. The approved progress report will be mailed to Invertis University.
- 5. When the research work is completed, the candidate will present his work to the local committee via video conferencing system. The Local Committee may recommend for the thesis submission. The Local Committee will also recommend the names of 5 Indian and 5 examiners outside India (better to select from our faculty http://www.lusv.university/faculty.php). Along with this list the thesis will be mailed to Invertis University.
- 6. When the dissertation has been approved by the examiners, the candidate will go to invertis for a few days to defend his dissertation. This is the only time the student will go to India for max 3 days.
- 7. The total time to finish their PhD will take max. 1 year after they finish step 3?
- 8. Request: IUSV/TUA PhD graduates may finish above mentioned steps in max 3 menths based on their current PhD dissertation. They only need to update or improve their PhD dissertation based on the feedback from the Local Committee and after this go to invertising a few days to defend his dissertation. I hope this is possible.

In the light of above feedback, if you arree please modify the Marcilly Rareilly

In the mean time please contact some NAAC accredited universities which have distance learning programs.

Let's talk via skype (h.rampersad) or whatsapp (+1-7865377580).

Thanks for your help.

Dear Prof. Rampersad,

I broadly agree with you. Step 7 in your above proposal provides too little time to finish the research work. Better if no limitation of time is there.

Tomorrow morning I am leaving for Varanasi for about a week to look after the construction work of my house After returning back I will work on the MOU and contact some NAAC accredited universities. After returning back we will also talk on the skype.

From August 16 to 18, 2016 we are organizing a Joint International conference on Pluralism, Society and Management in collaboration with Howard University, Washington Dc, U.S.A. Brochure of the same Lam attaching with this mail. If possible, Please come to Invertis University to attend the conference and deliver a talk.

With best regards,

Jagdish Rai

Dear Hubert,

Fam very sorry for the delay. The process of selection of faculty members in different departments is over and Fam relatively free. However, the preparations for the coming international conference has started

The draft of the MOU is ready and I have to discuss it with our Chancellor. Unfortunately since a few days he is out of station and that is why it is getting delayed.

I will try to respond you at the earliest.

With best regards,

Jagdish Rai

OFFICE OF RESEARCH AND GLOBAL ENGAGEMENT AND INTERPRETATION OF THE PROPERTY OF

Dear Esteemed partner,

As we are soon to embark in the new academic year 2016/2017 we are excited to share with your a retrospective look at our year thus far within the Office of Research and Global Engagement at IDC, and a glance at NEW programs ahead.

NEW PARTNERS

We have [20] new agreements that allow us to expand our list of friends around the world.

These include [National University of Singapore, Essec Business School, France and Shanghar Landard University, China amongst others].

- We cherish the opportunities this brings to student and faculty, and continue to express new and exciting avenues for collaboration.
- Our current list of partners may be found at http://portal-dc.ac.//rr. many such exchange-programs/pages/strategic-partners usus

STUDENT NUMBERS

Our international student intake has grown from [90] in 2015 to [120] in 2015, represent has nations that span across the globe.

 We continue to faster our commitment to engage with the world and value much altered interactions as a pillar for a sustainable future.

IDC Beyond

We are thrilled to share with you our latest program: IDC Beyond

This is a full-time one-year graduate level program for entrepreneurial leadership and global impact. It offers outstanding young academics the opportunity to go through the entire entrepreneurial process—from problem identification to venture creation, eventually establishing real-world companies to tackle significant global challenges.

 We believe that this is a unique and special form of higher education that cuters to a new audience, with a clear emphasis on real-life problem solving capabilities

ISRAEL SUMMER BUSINESS ACADEMY (ISBA)

Learn about entrepreneurship and innovation from the unique viewpoint of litraeli ausiness and educational experts. This unique opportunity, open to undergraduate students of all academic disciplines, faiths, and beliefs, allows you to study entrepreneurship, innovation, and startup creation through coursework, experiential learning, speakers, presentations, and company so the

- We would love to see your students participate at this unique summer program that runs in Tel Aviv, 8 June – 20 July, 2017 (flyer attached).

Dear Nina.

Thank you very much for an excellent overview of your institution.

We had organized international Conference on Pluralism, Society and Management jointly with ourse was and Howard University, Washington DC, U.S.A. at our campus from 16 to 18 August 2016. Being national convener of the same I was too busy till it concluded. Therefore I could not sign the MOU. Now I have signed it and within a few days our Chancellor Dr. Umesh Gautam will be in the campus. Then, after his signistic - I will immediately mail it to you for signature from your institute. Hope to do this work by Monday or Lucaday

This year I am busy in many activities already planned but in 2017 I will try to visit you institute a

In the recognition of the proven value, both personal and educational, of the exchange experience for students, staff and faculty, it is our intention to establish, at the institutional level, the principles, policy, guidelines and procedures required to facilitate such exchange between our institutions.

Objective:

The objective of this agreement is to encourage educational cooperation and exchange between our two institutions in the following areas.

- 1. Exchange of faculty members
- 2. Exchange of undergraduate and graduate students
- 3. Joint research projects
- 4. Promotion of lectures, research workshops and symposia
- 5. Exchange of information and academic publications.

Santonh.

The agreement between Invertis University and Interdisciplinary Center Herzliya may be in any appropriate field available at either institution, subject to the prior approval of the host institution.

EXCHANGE OF FACULTY MEMBERS:-

A. Teaching Exchange

- Each Institution may nominate one of its professors (means a faculty member) to participate in an exchange for the purpose of teaching and research in the other institution.
- The period of exchange will be agreed in writing by both parties.It can be for a period of two or three weeks or for a full semester.
- Travel expenses for professors or teaching exchanges are not compensated by the host institution, unless specific arrangement are made and agreed to in writing in advance
- 4. In general, professors on teaching exchanges will remain on full salary benefits with their respective institutions
- Teaching course loads, working hours and conditions will normally be in accordance with established rules and practices of the host institution, subject to prior negotiation and agreement
- 6. Remuneration for special projects is subject to special negotiation
- The host institution will give access to office space, libraries and other needed facilities for professors on teaching exchanges.
- Professors on teaching exchanges must carry health insurance that meets the requirement of the host institution.

B. Visiting Scholars

- Visiting scholars may have the approval of the host institution to visit it during a short period for the purpose of research, consulting and short term teaching, subject to prior negotiation.
- Travel expenses for visiting scholars are not normally paid by the host institution, unless specific arrangements are made and agreed upon in writing in advance.

Registrar Invertis University Barelijy Santons.

- The host institution will provide an institutional appointment and library access.
- Visiting scholars must carry medical health insurance that meets the requirements of the host institutions.

C. EXCHANGE OF STUDENTS:-

- 1. All students' exchanges must operate within the existing guidelines and regulations of the host institution.
- The number of students exchanged under this agreement will be agreed on in writing in advance. Initially it will be a maximum number of 10 students.
- Exchange students must be selected by a especial commission at their home institution.
- 4. Language proficiency of exchange students will be gauged and verified for the host institution in advance by appropriate personnel of the sending institution.
- 5. Exchange students will be admitted by the host institution for a period of one or two semesters.
- 6. Exchange students may take courses for credit, and the host institution will issue a transcript and grades for exchange students under the same rule and regulations as for its students.
- During the exchange program, students must continue paying their tuition fee at their home institution.
- Host institution may bear the fooding and lodging of the visiting students, subject to prior negotiation
- Exchange students must carry medical health insurance that meets the requirements of the host institutions.
- 10.Exchange students are expected to adhere to the rules and regulations of the host institution and respect the cultural mores, national traditions and customs of the host country.

Soutout.

- D. Each student participating in the exchange program will be responsible for the following costs.
 - 1. Travel costs to and fro each institution.
 - 2. Medical health insurance and health service fee.
 - 3. Passport and visa costs
 - 4. Course material required by the particular program.
 - Any other debts the student may incur during the period spent at the host institution.
- E. Both the institutions have agreed for the exchange of students in the following areas.
 - 1. Computer Science
 - 2. Business management
 - 3. Finance and Economics
