**GENERAL MEMORANDUM OF  
UNDERSTANDING  
BETWEEN  
LIVINGSTONE COLLEGE, SALISBURY, NORTH CAROLINA, USA  
AND  
INVERTIS UNIVERSITY, BAREILLY, U. P., INDIA**

**ACADEMIC AND CULTURAL EXCHANGE PROGRAM**

The Invertis University and Livingstone College, Salisbury, North Carolina seek to establish a mutually beneficial relationship between the two Institutions by developing academic and cultural interchange in teaching, research, and other activities.

Within the framework of the regulations applying in each Institution, and subject to the availability of resources, the following programs and activities will be encouraged.

- Exchange of faculty
- Exchange of students
- Joint conferences and other academic meetings
- Joint research activities
- Exchange of academic materials and information

The agreement between Invertis University and Livingstone College may be in any appropriate field of study available at either institution, subject to the prior approval of the host institution.

**EXCHANGE OF FACULTY MEMBERS**

**1. Teaching Exchange**

- Each institution may nominate one of its professors (means a faculty member) to participate in an exchange for the purpose of teaching and research in the other institution.
- The period of exchange will be agreed upon in writing by both parties. Initially, it will be for a period of two or four weeks or for a full semester. This period may be changed by the mutual consent of both parties.
- Travel expenses for professors on teaching exchange are not compensated by the host institution, unless specific arrangements are made and agreed to in writing in advance.
- In general, professors on teaching exchanges will remain on full salary benefits with their respective institutions.

- Teaching course loads, working hours and conditions will normally be in accordance with established rules and practices of the host institution, subject to prior negotiation and agreement.
- Remuneration for special projects is subject to special negotiation.
- The host institution will give access to office space, libraries and other needed facilities for professors on teaching exchanges.
- Professors on teaching exchanges must carry health insurance that meets the requirements of the host institution.

## 2. Visiting Scholars

- Visiting scholars may have the approval of the host institution to visit during a short period for the purpose of research, consulting and short-team teaching, and subject to prior negotiations.
- Travel expenses for visiting scholars are not normally paid by the host institution, unless specific arrangements are made and agreed in writing in advance.
- The host institution will provide an institutional appointment and library access.
- Visiting scholars must carry medical health insurance that meets the requirements of the host institution.

## EXCHANGE OF STUDENTS

- All student exchanges must operate within the existing guidelines and regulations of the host institution.
- The number of students exchanged under this Agreement will be agreed on in writing in advance. Initially it will be a maximum of 10 students per year. This exchange would be balanced over period of 5 years.
- Exchange students must be selected by a special commission at their home institution, and accepted by the other institution.
- Language proficiency of exchange student will be evaluated and verified for the host institution in advance by appropriate personnel of the sending institution.
- Exchange students will be admitted by the host institution for a period of one or two semesters.

- Exchange students may take courses for credit, and the host institution will issue a transcript and grades for exchange students under the same rules and regulations as for its students.
- During the exchange program, students must continue paying their tuition as their home institution.
- Exchange students must carry medical health insurance that meets the requirements of the host institution.
- Exchange students are expected to adhere to the rules and regulations of the host institution and respect the cultural mores, national traditions, and customs of the host country.
- Each student participating in the exchange program will be responsible for the following costs:
  - Travel costs to and from each institution.
  - Medical health insurance and health service fee.
  - Passport and visa costs
  - Course material required by the particular program.
  - Any other debts the student may incur during the period spent at the host institution.
  - Accommodation cost (traveling and lodging) would be borne by the Host University but the visiting exchange student has to pay the fees at the home institution.
  - Boarding and lodging will be provided free by the host institution for the exchange students.
  - Exchange Students must compile a project about the benefits of the exchange program.

#### **CINDITIONS OF THE AGREEMENT**

The Agreement will be valid for a term of five years from the date of the most recent signature below.

The absence of exchanges during any one academic year is possible and does not nullify this Agreement.

Either institution may terminate this Agreement with a written notice of six months. This period is necessary to ensure that exchanges planned or in progress are completed satisfactorily.

Modifications may be proposed at any time, and they will be effective from the date of written notification signed by both institutions.

Concluded and signed on this 01/13 day of January 2020.

Dr. Jimmy R. Jenkins, Sr.  
The President  
Livingstone College  
701 West Monroe Street  
Salisbury, North Carolina 28144 U.S.A.

Dear Dr. Verma,

This is another follow up to our conversation last night where we spoke about preparing three students to come to our J-1 Program this fall. Once again I indicated due to the program growth and the number of students we are taking on this year, I can only bring in three (3) of your students for this fall. I will look to bring in additional students from Invertis for our Spring 2020 semester. I also mentioned to you that I would like to have two (2) females and one (1) male.

Respectfully,

Dear Dr. Verma,

This is a follow up to our communication from last evening and a final decision from the President regarding scholarships for F-1 Students. The President and I spoke about the scholarship that the college would be awarding to the International Students from India. We have come to an agreement that students from that area would receive a Holistic Scholarship in the amount of \$7,000 per student which is equivalent to a 30% cut in their tuition per academic year.

We look forward to having at least 10-20 students a part of our fall 2019 enrollment. Therefore, I would ask that you take the necessary actions to move this project along so that student who applied and met your standards would then be able to furnish to us a(n):

1. Official copy of their High School transcript
2. Official copy of their College transcript
3. Complete an online application at [www.livingstone.edu](http://www.livingstone.edu)
4. Official copy of a bank statement that would verify them being able to pay the remaining balance of \$18,492
5. World/Universal Insurance
6. Enrollment and room deposits totaling \$350
7. Passport with a photo

Please note the selected students would need to submit their applications and the aforementioned documents ASAP. This is due to the **required 30 day deadline to go to their Embassies and to be able to arrive to campus at least by August 10<sup>th</sup>** which starts the final registration for our fall academic school year.

Respectfully,

Dear Perspective Student:

On behalf of the Health Services team we would like to welcome you to Livingstone College. This letter is an aid to help you get your health records completed and turned in **30 days prior to enrollment**. In the health packet there will be:

- **Demographics Page** contains the medical history for the student. All blanks should be filled in- including insurance status, along with a copy of the insurance card and drug allergy information. The student should fill in this portion; or a parent or guardian may do so if the student is under the age of 18.
- **Physical Examination Page** is the physical portion and is filled in by the physician. Your physical must have been completed within a 12 month period from enrollment. The physician may or may not perform a urinalysis or perform labs. It is dependent upon the **health** of the student.
- **Laboratory/Immunization Page**. Immunization records must be signed by a Physician or Nurse Practitioner including the address and phone number of the provider. For North Carolina students a high school transcript is not an acceptable record of immunization. Immunization records must be received on or before the student first registers for classes.
- **Meningococcal Vaccine Declination Page**. Complete the form, sign and check "A" if you do not wish to receive the vaccine.
- **Tuberculosis (TB) Screening Page**. TB screening tool must be completed by all students. An answer of *yes* to any question requires a TB skin test with results.

#### North Carolina State Law Immunization Requirements

Immunization requirements apply to all students **except** those residing off campus and registering for any combination of off campus courses, evening courses (those which start after 5pm), weekend courses and taking no more than 4 credit hours in on campus courses. If at any time any of the above changes, the student needs to submit a certificate of immunization on or before the **first date** of registration.

- **Tetanus- DTP, DT, TD/TDap-** series of (3) doses. Under administrative rule **10A NCAC 41A.0401** those students entering a college or university for the first time after July 1, 2008 are required to have a booster dose of TDap (tetanus/diphtheria/acellular pertussis ) within the past 10 years.
- **Polio-**a series of (3) doses. Not required if over the age of 18.
- **MMR** (measles, mumps and rubella) 2 doses.
- **Hepatitis B-**a series of 3 doses required for those students born 1994 and after.
- **Varicella Vaccine** – First dose required.

#### Recommended Immunizations

- Meningococcal-if student doesn't want to take vaccine, please sign the vaccine declination sheet.
- HPV
- Hepatitis A
- Varicella –Second dose
- Flu

If a student must begin a series of injections in order to be in compliance; such will be completed before the student can legally remain in college. Those students that do not turn in immunization records prior to enrollment will be given 30 calendar days from the first day of registration in order

*Santana*  
Registrar  
Inveris University  
Bareilly

to become compliant. If the immunization requires a series of doses and the period necessary to give the vaccine at standard intervals extends beyond the date of the first registration, the student shall be allowed to attend the college. **If after that time, they will be withdrawn from classes, will not be able to participate in sports and cannot live in the Residence Halls.**

## MENINGOCOCCAL VACCINE WAIVER FORM

### MUST BE COMPLETED AND SUBMITTED IF STUDENT DOES NOT RECEIVE VACCINE

**MENINGOCOCCAL DISEASE (Meningitis)** Meningococcal disease is a bacterial infection caused by the *Neisseria meningitidis*. The bacteria colonize in the inner lining of nasal passages. From there they can make their way into the bloodstream. If the bacteria multiply very quickly in the bloodstream this can lead to a severe blood infection called meningococemia. The bacteria can also get carried to the brain and spine where they can attack the membranes covering the brain and spinal cord. These membranes are called meninges. This causes swelling. When this happens the disease is referred to as bacterial meningococcal meningitis. The disease is rare; however its initial flu-like symptoms make diagnosis difficult. Meningococcal bacteria are spread from person to person through close contact. The disease progresses rapidly and leads to death within 24-48 hours from the first sign of symptoms. Infants and adolescents are particularly vulnerable. Adolescents are at higher risk of contracting meningococcal disease because of several social and environmental factors such as: crowding, kissing, **pubs/clubs**, and residence halls. In the United States, the annual estimated incidence of meningococcal disease in adolescents and young adults (14-24 years old) was observed to be 0.75 cases per 100,000 individuals.

Vaccination is considered to be the most effective method of preventing meningococcal disease. A number of different vaccines are currently available for bacteria types A, C, W-135 and Y. Presently there is no vaccine available to protect against type B bacteria. In January 2011, the Advisory Committee on Immunization Practices (ACIP) recommended routine vaccination with a single dose vaccine for adolescents, optimally at age 11 or 12 years followed by revaccination at age 16 years, 5 years after the first dose received because there is a potential decline of immunity after 5 years.

Additional information can be obtained on the Centers for Disease Control and Prevention (CDC) website at:  
<http://www.cdc.gov/health/diseases.htm>.

**ORDER**

Subject: Financial Sanction of the research project titled "Perinatal asphyxia in neonates : A proteomic approach to identify biomarkers of brain damage from serum and cerebrospinal fluid" under the guidance of Dr. Sanjeev Kumar Maurya, Deptt. of Biotechnology, Invertis University, Bareilly-Lucknow Highway, NH 24, Bareilly-243123 Uttar Pradesh.

Sanction of Science and Engineering Research Board (SERB) is hereby accorded to the above mentioned project at a total cost of Rs. 16,50,000/- (Rs. Sixteen Lakh Fifty Thousand Only) with break-up of Rs. 1,50,000/- under Capital head and Rs. 15,00,000/- under General head for a duration of three years. The items of expenditure for which the total allocation of Rs. 16,50,000/- has been approved for a period of three years, are given below:

Sl. No	Head	Total (in Rs.)
A	<b>Non-recurring (Capital Items)</b>	
1	Equipment Micropipettes, Refrigerator	1,50,000
A'	<b>Total (Capital)</b>	<b>1,50,000</b>
B	<b>Recurring Items (General)</b>	
1	General - A (Manpower, Consumables, Travel, Contingencies, Analytical/Biological Analysis Charges)	12,52,000
2	General - B (Overhead Charges)	2,48,000
B'	<b>Total (General)</b>	<b>15,00,000</b>
C	<b>Total cost of the project (A' + B')</b>	<b>16,50,000</b>

2. Sanction of the SERB is also accorded to the payment of Rs. 1,50,000/- (Rs. One Lakh Fifty Thousand Only) under 'Grants for creation of Capital assets' and Rs. 4,50,000/- (Rs. Four Lakh Fifty Thousand Only) under 'Grants-in-aid -General' to the REGISTRAR, INVERTIS UNIVERSITY, BAREILLY being the grant for the year 2013-14 for implementation of the said research project.

3. The expenditure involved is debitable to

Grant-in-aid for the year 2013-14 (Plan Expenditure- Capital) - Rs. 1,50,000/-

&

Grant-in-aid for the year 2013-14 (Plan Expenditure- General) - Rs. 4,50,000/-

This release is made under OVS Scheme.

4. The Sanction has been issued with the approval of the competent authority under delegated powers and vide Diary No. SERB/F/225/2013-14 dated 23.04.2013.

5. Sanction of the grant is subject to the conditions as detailed in guidelines available at [www.serb.gov.in](http://www.serb.gov.in).

6. Overhead expenses are meant for the host institute towards the cost for providing infrastructural facilities and general administrative support etc. including benefits to the staff employed in the project.

7. While providing operational flexibility to the agency subheads under head General A, it should be ensured that not more than Rs. 1.5 lakh each should be spent for travel and contingency.

8. The total release amount of Rs. 6,00,000/- (Rs. Six Lakh Only) will be drawn by the Drawing & Disbursing Officer of the SERB and will be disbursed by means of cheque/DD favoring **REGISTRAR, INVERTIS UNIVERSITY, BAREILLY** and will be sent to Registrar, Invertis University, Bareilly-Lucknow Highway, NH 24, Bareilly-243123.

9. As per rule 211 of GFR, the accounts of project shall be open to inspection by sanctioning authority/audit whenever the institute is called upon to do so.

10. The manpower sanctioned in the project if any is in-tandem with the duration of the project and SERB will have no liability to meet the fellowship etc. beyond the duration of the project.

11. The institute will furnish to the SERB, New Delhi, utilization certificate and an audited statement of accounts pertaining to the grant immediately after the end of each financial year.

12. The institute will maintain separate audited accounts for the project. It is hoped expedient to keep a part or whole of grant in a separate bank account earning interest. The interest earned should be reported to the SERB, New Delhi. The interest thus earned will be treated as a credit to the institute to be adjusted towards further installment of the grant.

13. The sanctioned equipments should be preserved as per GFR and its disposal would be done with prior approval of SERB.

14. The project file no. **SR/ET/LS/265/2012** may also be mentioned in all research communications arising from the above project with due acknowledgement of SERB.

15. As this is the first grant being released for the project, no previous I/P is required.
