Inverts University is situated in Bareilly on NH-24, equidistant from the country’s capital Delhi and State’s capital Lucknow. From a humble beginning in 1998, Inverts has come a long way. From 83 students and one Institute - Inverts Institute of Management Studies, today we stand tall as a full-fledged University with 8 different faculty structure under its name. We offer a range of Doctoral, Post Graduate & Under Graduate programmes in Management, Law, Commerce, Computer Applications, Pharmacy, Education, Journalism & Mass Communication, Bio-Science & Technology, Science, Fashion Design, Engineering & Technology. At Inverts, we believe that the success of a teacher comes along with the achievements of a students. To ensure our students succeed we make sure they get the very best, that’s why our faculty comes from premier institutes like IIT’s, IIM’s & NIT’s. Inverts pioneered the concept of holistic development, an approach of more than just text book studying and an all-round approach of learning.

It stems from the old management concept of “Keep your feet warm, back straight and head cool.”
