INVERTIS AN OVERVIEW

Invertis University is situated in Bareilly on NH-24, equidistant from the country's capital Delhi and state's capital Lucknow. From a humble beginning in 1998, Invertis has come a long way. From 83 students and one Institute - Invertis Institute of Management Studies, today we stand tall as a full-fledged University with 10 different institutes under its name. We offer a range of Doctoral, Post Graduate, Under Graduate & Diploma Programmes in Engineering, Pharmacy, Management, Computer Applications, Education, Law, Pharmacy, Agriculture, Journalism & Mass Communication, Fashion Design and Applied Sciences & Humanities.

At Invertis, we believe that the success of a teacher comes along with the achievements of a student. To ensure that our students succeed, we make sure that they get the very best, that's why our faculty comes from premier institutes like IIT's, IIM's & NIT's. Invertis pioneered the concept of holistic development, an approach of more than just text book studying and an all-round approach of learning. It stems from the old management concept of, "Keep your feet warm, back straight and head cool." Our faculty members foster knowledge and acknowledge students who do well not only in classes, but also in the outside world. The backbone of the university is its alumni alliance, who provide pathways for students even after their studies are completed.

INTERNATIONAL STUDENT & FACULTY EXCHANGE PROGRAMME

The student and faculty exchange programs would provide participants with the opportunity to study abroad or conduct research for a semester or an academic year at an overseas University/Institution. Invertis University has for long been aware of its role in a larger international academic community, and in pursuance of this, the University has been reaching out to fraternal institutions in different parts of the world for collaborative programs, research networks, student exchanges and so on.

Invertis University actively collaborates with a number of Foreign Universities/Institution like Livingstone College, North Carolina USA and University of South Carolina upstate, SC, U.S.A and several other institutions.

Apart from the above mentioned exchange program, we have research collaboration with Alexander von Humboldt Foundation of Germany and Howard University Washington, DC.
